Right Hon. Arthur Meighen,  
Toronto.

Dear Mr. Meighen:

I believe you see the Dalhousie Review, if not regularly, at least now and again. We have completed the tenth volume; and in bringing the magazine to the notice of possible new subscribers, we feel it would help us if we could enclose some words from a few of our readers whose commendations would serve as a useful introduction. Would you be so kind as to send us a few lines?

With our best thanks in advance and with kind regards.

Yours faithfully,

*D. Macgillivray*  
for Committee.
