

7th May 81

To,  
 Complaint has been made  
 by you on the part of  
 Coughenour that although  
 they are among the poor  
 class of Indians on the  
 Reserve they receive no work  
 in the Spring, and that you  
 show preference to the richer  
 members of the Band by giving  
 them work in preference to the  
 poorer Indians.

Please report on this  
 matter at your earliest  
 convenience

G. E. Christie, Esq.
