Introduction
Introduction
Object of the report. 40 Location. 40 Acknowledgments. 41 References. 41 Topography. 42 Depth of the North channel. 43 Industries. 43 Geology. 43 Diabase. 44 Microscopic characters. 45 CHAPTER II.
Location
Acknowledgments. 41 References. 41 Topography. 42 Depth of the North channel. 43 Industries. 43 Geology. 43 Diabase. 44 Microscopic characters. 45 CHAPTER II.
References.
Topography.
Topography
Depth of the North channel.
Geology
Geology. 44 Diabase. 45 Microscopic characters. 45 CHAPTER II. 48
Microscopic characters
CHAPTER II. Conditions affecting development
Conditions affecting development. 48
Conditions affecting development
Conditions affecting development
40
Quarrying
Tennenortation
Ports of discharge
Costs and prices
Oungraing
Freight
Prices of the stone
Quality of the rock
CHAPTER III.
Description of occurrences of diabase
High island
Freehotte island
Shoonack hav
Coon island
Islands north and west of Aird island
Dewdney island
