

petition shall be superseded by co-operation, from which goodwill shall have extinguished strife, and in which there shall be no war, the world of spear become pruning-hook, and sword become plough-share, the great ultimate Commonwealth of Man.

One last word, and the most important. Remember that in all this your practice is of infinitely more consequence than your precept.

Copies 1*d.* each. 8*d.* per dozen. 4*s.* 6*d.* per 100.
