THE BEST AND CHEAPEST

FAMILY SEWING MACHINE

IN THE WORLD.

THE \$25

NOVELTY SEWING MACHINE.

It makes the famous elastic lock stitch that will not rip or ravel, and will not break in washing, ironing or wearing. It is adapted to all kinds of family sewing, and to the use of seamstresses, dressmakers, and indeed for all purposes where sewing is required. It uses the straight needle, which is not so liable to break as the curved. It does not soil the dress of the operator, and does not require to be taken apart to be oiled. It is not injured by being turned backward, and is therefore not liable to be put out of order by children or inexperienced persons. It is made in the most thorough manner of the best material.

For beauty and excellence of stitch, for strength, firmness and durability of work, for economy of thread, for simplicity and thoroughness, and for cheapness, this machine is WITHOUT A RIVAL.

At the MASSACHUSETTS STATE FAIR of 1867 the NOVELTY SEWING MACHINE TOOK THE PREMIUM OVER WILCOX & GIBBS, AND WAS AWARDED A BRONZE MEDAL THEREFOR.

Every machine is sold with a table and complete outfit, and is warranted for one year.

Pain is supposed to be the lot of us poor mortals as inevitable as death, and liable at any time to come upon us. Therefore it is important that remedial agents should be at hand to be used, on an emergency, when we are made to feel the excruciating agonies of pain, or the depressing influences of disease.

Such a remedial agent exists in PERRY DAVIS' PAIN-KILLER, the fame of which has extended over all the earth. Amid the eternal ices of the polar regions, or beneath the intolerable and burning sun of the tropics, its virtues are known and appreciated. And by it, suffering humanity has found relief from many of its ills. The effect of the Pain-Killer upon the patient, when taken internally in cases of Cold, Cough, Bowel Complaints, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy, in cases of Burns, Bruises, Sores, Sprains, Cuts, Sting of Insects, and other causes of suffering, has secured for it the most prominent position among the Medicines of the day.

Read the following Testimonials:

Rev. J. E. CLOUGH, Missionary at Ongole, Southern India, writes: "We esteem your Pain-Killer very highly for scorpion stings, cholera, &c., and cannot very well get along without it."

Rev. I. D. COLBURN, Missionary at Tavoy, Burmah, writes: "I shall be happy to assist in extending a knowledge of a remedy so speedy and effectual."

Rev. M. H. BIRBY, Missionary to the Shans, writes: "Your Pain-Killer cures more of the ailments of the natives here than any other medicine. There is a great call for it, &c."

Rev. H. L. VAN METER, writing from Burmah, says: "The Pain-Killer has become an almost indispensable article in my family."

Hundreds of missionaries give similar testimony to its virtues.

Rev. J. G. STARRS writes: "I consider it the best remedy for Dyspepsia I ever knew"

Rev. JABEZ SWAN says: "I have used it for years in my family, and consider it an invaluable remedy."

PERRY DAVIS' PAIN-KILLER.—This medicine has become an article of commerce, which no medicine ever became
