Cures Rupture

What's the use of torturing yourself wearing the cold steel or badly-fitting elastic Truss, when you can be cured at home without pain or danger and no time from work, not a drop of blood lost - away with the old Truss, off with the wretched feeling as though you were held in vice. Feel as you should feel, strong and healthy. I can make you do so that you will wonder you ever continued yourself with the torturing pains of the old Truss.

Mr. O. T. Murdock, 173 Logan avenue, Toronto, Ontario, whose portrait here appears, is cured after suffering 14 years. Read what he says:

"Dear Sir—It is with great pleasure that I let you know that your method has made a perfect cure in my case. I considered it wonderful when I was doing the severe work which I was doing. My work is a stone-mason's laborer. I gladly recommend you to all ruptured people."

"You ruptured people who have tried every truss and have even undergone operations with the ill result that you are still ruptured, will welcome this glad news that you can be cured. Remember, my cures are permanent."

Free Trial—To prove to the ruptured that my Method will do precisely what I claim for it, I will send to those who write at once a free trial of my wonderful discovery.

Free Book—My valuable book "Can Rupture be Cured," which deals in detail with the cause and cure of rupture, free by mail to all ruptured who write at once.

HERE is a good watch for a small boy, and not a bad watch for a big one. It is a good reliable time-keeper and made to wear and stand hard usage. The case is open face, and made from solid nickel that looks just like silver, and won't change color. It is stem wind and stem set. You don't need a key. You may pay \$25.00 or \$30.00 for a watch and not get one that will keep better time or give better general satisfaction. Only you, yourself, need know how little it cost. Get one, and you will be surprised how good it is, and how well it looks.

How to Get It

We will mail this watch, carefully packed, postage prepaid, and guaranteed in good condition when it reaches you, if you will get only eight yearly subscriptions to THE FARMING WORLD. The subscription price is 60 cents a year, or two years for one dollar. The paper to one address for two years counts as two subscriptions. Thus, if you can get four of your neighbors to give you one dollar each, you secure the watch for nothing. Each subscriber will get the paper for two years; or, three at \$1.00 each and two at 60 cents wins the watch. Any way in which you can make up the eight years' subscriptions, but they must all be names of new readers of the paper. Any boy can earn a watch in a few hours.
