## **GLOBE TIME** RECORDERS

## Rapid — Durable — Legible — Reliable

Register consecutively on the one sheet in clear type to the minute. No Keys. No Cards. No Checks. No Pin-holes. No Lines.

YOUR payroll is the largest single item expenditure in your establishment and is the one expenditure. VOUR payroll is the largest single item expenditure in your establishment and is the one expenditure most profitable to keep a good check on. "You are buying this labor every day, every week, every year. Are you getting all that you pay for? The experience of many firms is that before they had a good mechanical time register, they did not. "We can reduce your payroll by compelling employees to be on time and to work until quitting time. We show you the exact time your employees arrive and depart, and do it in clear, legible TYPE to the MINUTE. "It enforces punctuality and eliminates all time disputes. The machine shows no partiality. These machines, made in Montreal by W. A. Wood, have stood the test for years and many firms throughout the country cheerfully recommend them. We have saved them money; we can do the same for you. "Let us have your time-keeping particulars, i.e., hours of labor, your pay periods, number of employees, and we will submit specimen sheet from the machine best suited for your requirements. Our experience in this line is at your service. your requirements. Our experience in this line is at your service. HEAD OFFICE AND FACTORY :
