"Over the Fence is Out."

This rule was unquestioned in the days when "two old cat" was the favorite ball game. Applying the same rule to farm stock, we raised the standard height to five feet. Through the fence is as bad as over. So, with abundant ELASTICITY and double strength wire, we "shot them out" (or in) and rule the world on fence. Send for free copy of COILED SPRING and our price list.
