"The Land That Pays for Itself in a Single Season"
 —Prof. THOMAS SHAW.

WILLIAM PEARSON of Winnipeg, known as "Last Mountain Pearson"

THOUSANDS of Eastern Canadians—some, your own former neighbors—are now in Golden Saskatchewan. They were struggling along five years ago, "back home"—just like you are to-day. Many were renters—didn't own a square foot of land. To-day they could buy out the richest farmer in your county. Not because these men are smarter or work harder than you, but because they now live where an industrious man has a fair chance.

Last Mountain Valley

Saskatchewan farmers in Last Mountain Valley grow 40 bushels of wheat on \$30 land. Result: "Land cleared in one year." They are making money hand over fist. Crop failures? We don't have 'em here! Seven great railroads form a veritable network over this district. You're right in civilization.

And whoever saw a finer place to live! Good neighbors, fine climate, 'phones, railroads, churches, schools, rural mail, stores, good roads, fishing, hunting, etc.

Two Big Land Openings— New Settlers Pouring in by Thousands

Last year 351,593 settlers came to Canada—and fortune. This year will see 500,000 follow them. The bulk of them are bound for the Prairie Provinces. And they'll never go back! They'll never leave this land of health, happiness, sunshine and fortune.

We are putting on two gigantic new land openings—one at Raymore, in Last Mountain Valley, on the main line of new Grand Trunk Pacific—finest wheat land in the world.
