A. WOODGATE, D. P. M. G. General Post Office, Halifax, 3rd July, 1851. Im. July 12.

MURDER—CONFESSION AND ARREST.—On Wednesday evening a Private of the 1st Royal Regiment, now in garrison here, about to return to England, appeared at the Police Office and voluntarily confessed to having murdered a young woman, about 8 years ago, at Norwich, England. The man's name, we understand is Thompson, a native of Dumfriesshire, Scotland.

The victim of this felony was, it seems, a young woman with whom he had been on terms of intimacy, and the crime was perpetrated in the evening in a lonely place, by drowning her in a canal.

The crime had so preyed upon the offender's mind that he at length determined to give himself up to justice, and allow the law to take its course. He was committed, we understand, and will probably be sent to the scene of the offence to await his trial. We have learned that this man has for a good while exhibited symptoms of deep dejection and sadness. Such are the effects of guilt, and such the results, we fear, of its influence on the human mind.

JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT, FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DO NOT NEGLECT IT. CONSUMPTION Can and has been cured in thousands of cases by

JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT. CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicaments which are peculiarly adapted to and essentially necessary for the cure of COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE persons have been cured repeatedly, in having medicines which were said to be infallible cures, but which have only proved palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of Blood, coughs, pain in the side, night sweats, &c. &c.

About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the best Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery, (will show them to any person, calling at our office.) This medicine will speak for itself and enough in its own favour wherever it is tried.

CAUTION—This medicine is put up in a large bottle, and the name of Judson & Co., Proprietors, New York on the splendid Wrapper around the bottle. All orders must be addressed to Comstock & Broder, No. 9 John Street, New York.

Sold wholesale for the Proprietor in Nova Scotia at Merrett's Medical Warehouse, 21, 23, 25, in Windsor by Mrs. Wiley, in Dartmouth by J. Farrell, and by one agent in every town in N. S. and N. B. Enquire for Comstock's Almanac for 1852 which is given to all gratis. 105 July 12.
