ARM RESTORED

After being useless for Six Months. GATES & Co., Dear Sirs—For the benefit of all concerned I make the following statement: About three years ago I was seized with a severe pain in my arm, which lasted several days and then settled in my wrist, leaving my arm entirely useless for at least six months; during this time I was under the doctor's treatment, but all to no purpose. And, strange as it may appear, I dreamed that your agent in Wallace had medicine in his store that would cure my arm. I asked my husband to go and see. He went and brought home one bottle of Gates' Life of Man Bitters, No. 2, and one of Gates' Acadian Liniment, with immediate results. Two bottles of each made a perfect cure. During my trouble with my arm my general health was much impaired, appetite gone, and notwithstanding all the prejudice against patent medicines, I must not only praise it, but recommend it to an afflicted public, for I consider it providential that I found such medicine. Mrs. STEPHEN CAMPBELL. The above statement was sworn to before me at Wallace, this 13th day of October, 1876. W. H. HUESTIS, J. P.
