An Unrivalled List.

The Steinway Piano,
The Chickering Piano,
the Haines Piano.

It is quite unnecessary to say anything in praise of these instruments. The first two on the List are acknowledged by all to be the finest Pianos in the world. The most celebrated artists of the day have pronounced in favor of one or the other over all others.

THE HAINES, for a medium priced Piano, excels in finish and beauty as well as durability, any other instrument of its class. Its popularity is proved by the fact that the Haines' Factory has risen to be the Third Largest Factory in America.
