To make Home Pretty and Attractive

IS THE WISH OF EVERY LADY

Perhaps we can help you a little by improving some unsightly arch, a nice piece over a bay window, a screen for a stairway, a cozy corner, a handsome stationary or folding screen. The expense will not be much and would add greatly to the appearance of the rooms.
We make these in Moorish fret work, Japanese fret work, Scroll or Grille work, or combinations of the different styles, and made or finished in any kind of wood desired.

We import more Hats than any two houses in Ontario
We buy only from the makers—and we buy for cash—retailers who buy from jobbers have to pay 25 to 35 per cent. more for what they sell than we do—that about puts us in the position of wholesale man selling direct to you—don't you see the saving?—and then there's the quality consideration, too—we're sole selling agents for the best American maker—that's Dunlap—and for the best English maker—that's Heath—we have lines exclusively our own at

2, 2.50 and 3
that you couldn't buy anywhere else if you tried to—and therefore the best hats in the world for the money.
