ROBIN HOOD FLOUR IS DIFFERENT

Every housewife who uses flour must be interested in ROBIN HOOD "the flour that is different."

You hear it makes a bigger loaf, that the loaf is sweeter-flavored, more nutritious, more easily assimilated than bread made with other flours.

We can tell you why ROBIN HOOD Flour makes that kind of a loaf, but what ought to interest you more than "why it does" is that "it does."

You can prove what we say as true at no risk of loss to yourself.

It is largely a matter of making up your mind to use "Robin Hood."

The Saskatchewan Flour Mills Co., Ltd.

Moose Jaw - - Sask.

P. S.—Ask your grocer about our guarantee, and when you use Robin Hood add more water than usual.

More Bread to the Barrel

That extra cost per barrel which you pay for

Ogilvie's Royal Household

doesn't go into anybody's pocket.

It covers the cost of inspecting the entire wheat crop of the country, and selecting the choicest grain.

It pays, for cleanliness, for purity and for scientific flour-making.

A barrel of Ogilvie's Royal Household Flour goes farther than a barrel of any other flour. It makes more bread and better bread.

You are not really spending that extra amount—you are investing it.

Go to your grocer and say "Royal Household."
