Farm Women's Clubs

PROGRESS OF THE W.G.G.A.

Without doubt the rapidity with which our new Association has grown has not been excelled in the annals of farm women's clubs. To have grown to thirty-five associations strong, meaning a membership of probably four hundred, makes our dream of a thousand members by next February seem to have a strong tinge of reality. The requests for information on organization increase as the weeks pass, and altho many fail to report their success in organizing, it is good to know that so large a number are interested in our work.

There are probably a number of Associations not listed below, if so, I shall consider it a great favor if the Associations omitted will report their existence to me.

For the benefit of your members you should move that your club send for the pamphlets on the Constitution of the Women Grain Growers. They may be obtained at five cents each and clearly explain the objects and aims of our Association and the method of conducting meetings and carrying on the work:

A BUSY SOCIETY

Dear Miss Stocking:—The first meeting of the Success Association was held in April. It was decided that the subjects for discussion at the next meeting be Poultry and Gardening, and that Mrs. J. Johnson be leader of the poultry topic, and Mrs. Wotherspoon leader of the gardening topic.

It was also decided to have a service at three o'clock on Sunday, April 12, and that a sermon be read by one of the ladies of the congregation and a leader secured for the next Sunday.

The association also decided to start a library out of the funds on hand. At the June meeting of the association the secretary was requested to write to Mrs. A. V. Thomas, Winnipeg, for information regarding Women's Rights and the "White Slave Traffic."

It was moved and carried that the Success Association have an exhibit at the Agricultural Fair at Melville and that they endeavor to establish a rest room at Melville.

The secretary was also requested to write a card to all the ladies of the surrounding district inviting them to attend a meeting of the Success W.G.G.A.

It was also moved that a tender be put in for the refreshment booth at the picnic given by the Brewer and Success Grain Growers' Associations, and that the men get one-third and the Women's Association two-thirds of the net profits of the booth.

MRS. W. WOTHERSPOON, Sec. Melville, Sask.

LOOKING FOR WORK

Dear Miss Stocking:—On the afternoon of June 24 about twenty ladies of the Prairie Rose district met at the home of Mrs. John Jansen and formed a 'Woman Grain Growers' Association. The officers elected were: President, Mrs. F. Wood; vice president, Mrs. J. B. Leightner; secretary, Miss Annie McCutcheon; assistant secretary, Mrs. Ireland.

It was decided to hold the next meeting at the home of Mrs. Moss Jansen, on July 22, when the membership fees would be taken.

We would be glad of any further information you could give us regarding the objects of the organization and how to make definite headway in our work. We are very anxious to make our society a successful one, and altho the social aspect seems at present the most interesting, still we wish to show that we can be earnest workers, too.

MISS ANNIE McCUTCHEON,

Sec., Prairie Rose W.G.G.A.
