NEWFOUNDLAND BRITISH SOCIETY.

(To the Officers and Members of the Nfld. British Society.)
Brethren:—The term of office of your Executive having expired, we beg to submit an account of our stewardship.
During the year eleven members were added to the roll, the total membership being now 230.
The Treasurer's Report shows the year to be heavy in expenditure. Viz: Amount paid for sickness...\$ 796.00
Amount paid for deaths..... 780.00
Running expenses..... 224.42
\$1,800.42
With this heavy strain your Committee are fortunate in being able to show a small balance to current account. The amount to the credit of the Society is \$1171.06, exclusive of the Building Funds amounting to \$3000.00.
Deaths for the Year.
It is our sad duty to record the death of seven of our old members, viz:—Brothers J. R. Roberts, Geo. Fleet, John Newell, Joseph Pippy, Geo. King, James Vavasour and Edward Noseworthy. The Society paid its last tribute of respect by the Officers attending their funerals. Twelve members' wives have also died, and to the families bereaved we extend our heartfelt sympathy in their sore affliction.
We have again to record our hearty appreciation of the excellent services which the Board of Guardians have rendered to the Society by their management.

"I've Got Wise--Know Enough Now to Wear Gloves."

"Used to have my hands all crippled up—
"Everlastingly peelin' my knuckles—always scratching my hands on the edge of metal plates—
"But now I wear gloves; and say, it's far better than nursing hurt hands. These are

"Asbestol" Gloves.

"I've worn 'em every day for Lord knows how long—Don't look like they'd ever wear out, do they? Not a sign of a rip any place.

"I'm just as nimble-fingered as can be, and they fit well too.

"Wash like cloth—dry soft as new
"Never get hard or stiff, sweat, oil, grease, or water don't injure them.

"You certainly get splendid value every time in these "Asbestol" gloves. Look for that "Asbestol" trademark—it's the only way you can be sure of the genuine. The prices are low. See them today.

Anderson's, Water Street, St. John's

agement of the Juvenile Branch. The report of the Secretary (Mr. Hammond) shows the Branch to be in a healthy and flourishing condition, promising well for the future of the parent Society.

It is a matter of regret however that the Society is not more alive to the great importance of increased membership, which would not only have the effect of lessening assessments which now bear so hard upon our old members, but would also enhance the Society's usefulness in other ways. May we hope that an earnest effort will be made during the ensuing year to add considerably to our roll.

The Building Committee desire to draw attention to the interior of the hall, which requires extensive repairs. A new floor for the hall room is a necessity; whether this can be done in time for our Easter business, and provision to meet this extra heavy expense are questions that will have to be considered.

To the ladies who gave up so much of their valuable time and worked so hard during the year, we express our heartfelt gratitude for the great services which they rendered, and in doing so, take this opportunity of thanking all who by their generous contributions of money and goods, assisted in making the affair such a grand success.

On July 23rd we had the pleasure of a visit from the band of our Sister Society at Harbor Grace—the C.B.B.S., who had their annual excursion on that date. The Band came in uniform and played from the Railway Station to the hall—the selections being favorably commented on by all who heard their performance. A grand dance was held in the night, which was well patronized, and during an interval the band was entertained by our Committee. A promise was made to return a visit this year, if possible, and if arrangements can be made your Committee would suggest that

front of the hall of our old friends—the St. John's Total Abstinence and Benefit Society—and greetings exchanged.

On returning to the hall, the President took the chair, and the following votes of thanks were unanimously passed:

To His Excellency the Governor and Mrs. Davidson for their kind reception of the Society at Government House;

To the Rev. J. W. Bartlett, organist and choir of George Street Church for the beautiful and impressive service, which was prepared for the Society and its members;

To the C.L.B. Band for the services rendered by giving up so much of their holiday, and for the excellent music which they played in the line of march;

Also to Bro. S. Bursell, who acted as Grand Marshal in the parade.

The singing of the National Anthem brought the proceedings to a close.

In conclusion, your Committee would commend to the earnest consideration of each individual member the suggestions contained in this report for the advancement and welfare of this venerable institution. For the help and encouragement received at your hands we are deeply grateful; and for the mercies and blessings of Almighty God vouchsafed during the year we humbly return our heartfelt thanks, and pray that our successors in office may be the recipients of His Divine favor and protection.

Respectfully submitted,

On behalf of the Committee,

W. H. GOODLAND, President.

F. P. SAMUELSON, Secretary.

"ARMADA"

Is the Best CEYLON TEA
that can be bought, and is only
procureable at two seasons in
the year.

In 1lb. Tins From All Grocers.

It is worthy of note that the slot meters installed in the basement have reduced our lighting, and by other means expenses have been greatly curtailed.

Has Been Eventful.

The year has not been uneventful. The Annual Soiree, always looked forward to with such pleasure, was held on the 29th January. Socially and financially it was a grand success.

Empire Day (The observance of which was obtained as a general holiday by the Newfoundland British and other City Societies) was celebrated by a tea and dance in the hall, which proved very enjoyable.

The principal event however was the Bazaar organized by the lady friends and associates of the Society. The Bazaar was opened on the 21st October by His Excellency the Governor (accompanied by Mrs. Davidson). The Lord Bishop of Newfoundland and the Right Hon. Sir E. P. Morris also spoke on the occasion, and endorsed the gracious references which were made by His Excellency in showing the good work which the Society had accomplished during its career.

Amongst those present were Rev. Canon and Mrs. White, Rev. Canon Bolt, Hon. Geo. Knowling, Hon. J. R. and Mrs. Bennett, Hon. Robt. Watson, Lady Horwood, Lady Morris, Mrs. Bowring, representatives of Slater Societies and other prominent citizens. His Grace Archbishop Howley and Mayor Ellis both sent letters regretting their inability to be present owing to previous engagements, and wished the undertaking all success.

The stalls were well supplied and tastefully decorated, and called forth the admiration of all who visited. The net proceeds amounted to \$2,346.60 from all sources, and will be devoted to lessening the debt upon the hall. The Bazaar was followed by a Grand Dance, for which the C.C.C. Band kindly furnished the music.

Here's The Point

I don't wish you to slip coming down Prescott Street—or any other street—I am sure I don't want to see any Hockeyist smashed up;—in fact I wish every one the best of good luck but things will happen and it's just as well to have that

Accident Policy.

"A FIVE Spot and it's worth it."
