HER HAIR GET GRAY

Kept her locks youthful, dark, glossy and thick with common garden Sage and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, hough, at home is mussy and trouble some. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sul-phur Remedy." You just dampen a sponge or soft brush with it and draw through your hair, taking one small strand at a time. By morning all gray hair disappears, and, afte another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look vears younger. Agent T. George Bowles,
