BLIND BUT NOT DOWN-HEARTED Norfolk Hero is Cheerful Despite Affliction

Plowing at 87—A Grist of Other Items (From our own correspondent) Simcoe, April 29.—Pte. Vincent Ripple, of the former 133rd arrived in Toronto yesterday morning in fine spirits. He is totally blind, but told Mrs. J. A. Calder, his aunt here, over the wire, that he is most fortunate to have come through alive, and that he is not at all looking for sympathy as one downcast. He spent yesterday at the Calder home in Toronto, and has with him Pte. John Wm. Norman, also of Simcoe. Mrs. Calder left for Toronto this morning and will return with the boys by Grand Trunk this evening. Let Simcoe give these men the reception they deserve. Let it be no funeral procession.

Old Ends of News.

The skews bridge and another coming out from Culver street had a collision early Saturday evening. One car was smashed about the "port hole"—nobody hurt. Later, a car passing down Kent from the Lyric, turned east into Peel at the same time that a horse and buggy driving up Brock street turned into the same street, and both made the turn for the same space at the same time, the buggy came to grief—and the car broke a spring—again no one was hurt. The scene of this second mishap was rather poorly lighted as the post-office pillar lights were off. Youngsters carried far from a barrel at the rear of Chas. E. Boyd's store a few evenings since, and threw it on the dress of a Port Dover lady on her way to the depot. Now they are in trouble. Another case of the ignorance of juvenile Simcoe regarding trespassing. And the poor urchins appear-

Both of them are glad to be back home. Died in Hamilton Fred. Downing, formerly of Windham, and son of James Downing of that township, died in Hamilton on Saturday after years of illness, aged 54 years. The funeral is announced for 11.30 this morning on arrival of the train. Interment at Calverwood cemetery.

Aged Simcoeian Passes Harriet Fark Smith, wife of the late Zephaniah Smith, died on Saturday at the residence of her daughter, Mrs. Geo. Mitson, 104 Union Street. Funeral to-morrow to Mt. Zion. Mrs. Smith was in the 93rd year of her age.

Plowing at 87. Mr. Beacroft, who lives with Mrs. Frances Griffin, was interviewed by The Courier on Friday. He was just starting out with his one-horse gardening outfit to plough his 13th garden, having "plowed and left 12 ready for business." He has also plowed a few acres for Mrs. Griffin, and will seed the same. Erect, hale and hearty, he is proud of his work.

Next day after the Boston meeting. Charlotteville councillors were hurried together for a special meeting to protest against the scoring out of exemptions. Even the councillors did not know that a meeting was to be called. He got his warrant at the meeting.

Woodhouse council held the regular April meeting on Saturday, and passed a similar resolution. Meantime Gaele D. Robertson, who cannot get a tenant for his Windham Centre farm, is seeding by day work and goes out occasionally to superintend the work. He has no fear of the crop going to waste for lack of farm hand.

Mrs. Harry Sheik Critically Ill. Mrs. Sheik, wife of our popular Robinson street barber "Harry," was last evening reported critically ill. A few days ago her father and a sister, were summoned here from Danville, Ind., as her condition was even then considered dangerous. They had been here only a day when Mr. Atwood was summoned home on account of the critical illness of a son. He was accompanied by his nephew, Mr. Frank Cardiff.

ly get little instruction along this line. May's subscription is due before the 10th. If you are in arrears it's due today. Agency is open evenings. Local Oddfellows and Rebeccas had a church parade to St. Paul's yesterday morning. Considering the number of most absent in military service, there was a good turnout. There were over a hundred in the line. The choir sang during the service. "Courage, Brother, Do Not Stumble" (Galbraith) and Miss Eva Haddow rendered "But the Lord is Mindful of His Own" (Mendelssohn), expressively and impressively.

Lloyd Cattel, son of Mrs. A. E. Cattel of the North Ward, resident in Toronto, has signed up with the service. Lloyd applied for aviation, but was too late. Pronounced anxiety yesterday regarding the situation at the front, and evident by several phone calls for news, was responsible for the bulletin read by hundreds. The Courier agency yesterday evening.

Miss May Pepper of Paris visited her parents here over the week-end. Miss Katie Deane of Hamilton visited her sister, Miss Beattie, yesterday.

Mrs. Robert Nellis is moving with her children to Hamilton, Ontario. Mr. Chas. Birt of Walsh, operated upon for appendicitis a few days ago; is reported to be making little progress towards recovery.

Flight Cadet Hugh Hubbard was over from Toronto for the week-end. Pte. K. McLaughan of the Headquarters Staff, Brantford had with him a similar resolution. Pte. G. R. Roydon, of Atlantic City, now attached at Brantford.

WAR LECTURE BUREAU HAS COME TO FORE

"Five Minute Men" Speak at Public Functions of Every Variety

The Five minute Men of the Government Bureau, have been much in evidence during the past week. The Bureau has been represented by meetings of varying character in churches, schools and theatres. The object of the work is to keep before the people the fact that we are at war, and the necessity of every man and woman of the civilian population doing his utmost to support and sustain the gallant lads at the front. The speeches have sounded a note of confidence and optimism, maintaining that every recalcitrant or pessimist is intentionally or unintentionally aiding our enemies. The speakers are in every case entirely voluntary. Among those who spoke last week were:—A. W. Burt, W. E. Foster, Rev. C. S. Oke, J. J. Hurley, A. K. Bunnell, Jas. Hurley, Rev. D. Alexander, Rev. W. E. Bowyer and W. G. Raymond. In every case the message was received with appreciation and enthusiasm. If there are any who have not been called upon who will volunteer their services in this work, they are requested to communicate with W. G. Raymond, post office, Mr. C. A. Jarvis, local chairman, desires to express to all who have assisted in the work, the thanks of the War Lecture Bureau.

DRINK MORE WATER IF KIDNEYS BOTHER

Get less meat and take Salts for Backache or Bladder trouble.

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog, you must help them flush out the body's urine waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Get less meat, drink lots of water, also get from any pharmacist or druggist a box of Jad Salts; take before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid grapes and lemon juice, combined with lithium and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

He spoke on the "Mastery of the Master," pointing out that Jesus Christ was master of all his creations except man, who hindered because of his free will. A series of beautiful word pictures were given illustrating the points made.
