PURITY FLOUR
More Bread and Better Bread

The last one on the plate

Even so, take it. The rule of etiquette is temporarily suspended when biscuits of Horton Flour are on the table. Flaky, light, white, with delicate crisp-brown tops, they are simply delicious served steaming hot with maple syrup or with plain sweet country butter. No wonder the plate is cleared as if by magic. What higher tribute could be paid to Mother's skill in cookery and incidentally to the uniformity and high-grade qualities of Horton Flour. Grocers sell and are glad to recommend—

For strawberry preserves in light syrup use 4 quarts of berries to a 2-lb. carton of LANTIC SUGAR. For richer preserves increase the proportion of sugar according to taste.

PRESERVING LABELS FREE—Mail us a red ball trade mark cut from a bag or carton and we will send you a book of 54 ready gummed printed labels containing 6 for each of the following fruits: strawberries, raspberries, blackberries, currants, grapes, cherries, plums, peaches and pears. Address
