DEWDNEY PLACE

About Half a Mile from the Railway Station!

City of Regina

Regina's Liberal Track Site Policy Attracts Wholesale Firms & Manufacturers

Warehouses already planned for construction during present season aggregating over \$300,000 in value as result of track site facilities offered by the city. Railway men pronounce Regina's comprehensive plan of spur tracks in wholesale centre as without an equal on the continent. Large implement and threshing machine and engine companies continue to make city their headquarters for Western Canada. Many factories employing large numbers of hands to build factories in industrial section of the city.

Dewdney Place

Offers Large Returns to the Early Investor

The incoming of the Grand Trunk Pacific and Canadian Northern Railways demands the expansion of the City in the direction of Dewdney Place. Note the strategic position Dewdney Place occupies in this particular.

Dewdney Place Will become a centre of the railway development in REGINA CITY.

Network of Railways Make REGINA Distributing Centre

Three great transcontinental lines make city important point on their western systems. Three new branch lines to enter city within the next eighteen months. The natural shipping centre for a vast area of most fertile country in the great American Wheat Belt. 225 Travellers make city their headquarters. Local freight rates give Regina wholesalers big advantage over Winnipeg and Eastern Houses.

Standing midway between Winnipeg and Calgary and in the centre of the richest portion of the great North American Wheat Belt, REGINA, with railways already radiating from it to the four points of the compass, occupies a position of exceptional commercial strength.
