"I wish to add my testimony to hundreds of others as to the value of Dr. Pierce's medicines," writes Mrs. Ida M. De Ford, of Latona, Hubbard Co., Minn. "Have doctored with a great many physicians—some specialists; have twice been in a hospital for treatment. My case has been regarded as a hopeless one, and they knew not what the trouble was. Heart was bad; stomach all out of order; tired out; severe pains in all parts of the body; sinking spells, and nearly every ailment a woman could have. I took many a bottle of 'patent medicines' without effect. I began taking Dr. Pierce's Favorite Prescription, and ten months afterward I gave birth to a ten-pound boy. All physicians had stated as a fact that I never could bear a child. Both the baby and myself were strong, and I got along splendidly—thanks to your medicine."
