STRICTLY PRIVATE MARRIAGE LICENSE AND WEDDING RING VONGUNTEN'S

It is understood that Willard Merritt has purchased from Matthew Wilson, K. C., the block known as the old Barfoot Block on Fifth St. Residents on Victoria avenue complain of speedy auto driving on that thoroughfare at a late hour Monday night. The occupants of the auto made a great deal of noise, disturbing the peaceful slumbers of the good people in that vicinity.

In reading advertisements of Varnish Stains, we notice one man claiming that his varnish stain has pigment in it. We should think that, if a varnish stain had pigment in it, it would be a paint, not a stain. The makers of Campbell's Varnish Stain come out square and guarantee that their stain does not contain any pigment, does not require any stirring up and will not obscure the grain of the wood over which it is applied. Guess we'll buy Campbell's, James A. King, Chatham, sells it.

Health Inspector Holmes says he is finding a great deal of difficulty in getting people along the water fronts to clean up their back yards. The Inspector is greatly pleased with the manner in which Briscoe Bros. have complied with his request. He says that their back yard is a model one, and he wishes that others with yards along the river and creek would follow their good example.
