Rev. S. T. Rand

ieth year at the time of his death. He ginning to realize what vast possessions they have in them and are ready to protect ainly one of vast import to our nation they have in them and are ready to protect and Canada may well afford to maintain of the churches at Parrsboro, Liverpool,
Windsor, and Charlottetown. For When Cabot first crossed the Atlantic many years he was engaged in the and beheld these shores, the whole northwork of translating the Scriptures into west coast of America he christened Micmac and in missionary work among the Indians of that tribe. He also bearing that name. When this daring had any, to living Nova Scotia writer who has won living Nova Scotia writer who has won so much distinction as the venerable man just deceased. His ability, attainments, and services were recognized by Acadia College, King's College and Queens College in the granting damainly by his own private study, a short time only being spent in the schools. His diligence, ability and services, ability and services, ability and services were regularly employed in the fishing trade between Europe and the new world; and sixty years later we find this trade had increased to 350 ships, short time only being spent in the schools. His diligence, ability and sixty was a great wind, years later we find this trade had increased to 350 ships, short time only being spent in the schools. His diligence, ability and sixty was a great wind, years later we find this trade had increased to 350 ships, short time only being spent in the schools. His diligence, ability and sixty was a great mind, you think that had been as a shaeball or Melbourne King colts. It shows a great mind, you think the other. Life requires in view of its complex, the behavior and the the thing syou are acquainted with the other.

Life requires in view of its complex, the behavior of mouthen the thing syou are acquainted with the other.

Life requires in view of its complex, the behavior of mouthen the bout the thing syou are acquainted with shout the thing syou are acquainted with shout the thing syou are acquainted with shout the object its absently of environment continual attention, the to accept the Bible as truth You are the flood of the plan of ealwation, but you can be tieve that a clairvoyant can tell who was a great mind, you think the other.

Life requires in view of its complex to the the outwent the thing against it. Why not just talk about the things you are acquainted with the other.

Life requires in view of its complex to feed the behavior of the flood or the plan of ealwation, but you can be fined and on the plan o short time only being spent in the schools. His diligence, ability and determination enabled him to succeed where nost would have failed. He determination enabled him to succeed where nost would have failed. He has placed scholarship under lasting obligation by his work on the Miemac language. He will be honored as a faithful, persistent worker on behalf attempted to drive away Coloniais and faithful, persistent worker on behalf Englishmen, and French ships of-war and those who are opposed to daucing the trust the properties and the properties and the trust the properties and the trust the properties are the properties. The closer the trust the properties are the properties and the properties are the properti

ringing words. He leaves to his friends God forbid that young Canada should a record of high thinking and lofty as- ever have a government that would piration that must do much to console them in the sharpness of their bereavement.

The Best Offer Yet.

always endeavored to place the best of case in the treaty were that "The inreading matter before its readers, and habitants of the United States of America with that end in view clubbing arrangements have been made from from the date of treaty, and until the from the date of treaty, and until the time to time with some of the very best publications on the continent. The modern magazine may be fish of every kind except shell-fish on taken as embodying the best literature the sea coast and shores and in the bays. of the world, as the magazine editor pays the highest prices to novelists, wick P. R. Island and New Bruns and he didn't like it made and some and some and some and the bays of the neighbors thought it was, but it pays the highest prices to novelists, with P. R. That is why we are enabled to make, if the offer is accepted before January next, such a low rate, by which our readers can low rate, by which our readers can be such a low rate. low rate, by which our readers can obtain two good publications at the price of one. Just think what the combination means! You obtain your own home journal, which gives you all after the price of one account of the great distance from the home and local news, and a magasiae which gives you, in a year, nearly fortied on Americans to buy bait, salt or fourteen hundred pages of reading

The people of the United States, how Few people have any idea of the vast Catholics, must have their fish at any extent and enormous wealth of our cost. Consequently our fish will find a fisheries. Comprising the coasts of Nova Scotia, New Brunswick, P. E. Island when admitted free. when admitted free.

The death occurred at Hantsport on Oct. 4th of Rev. Silas Tertius Rand, D. D., L.L. D., D. C. L. He was born in Cornwallis on May 18th, 1810. He was therefore in his eight ieth year at the time of his death. He ight ieth year at the time of his death. He ignining to realize what vast possessions.

And the island of Newfoundland and its In 1882 Canada employed in fishing 50,000 men and the products of their force buying elsewhere.

In 1882 Canada employed in fishing 50,000 men and the products of their countries amounted to \$17,500,000, or equal to \$17,500,000, or equal to \$17,500,000, or equal to \$350 for each man at work. The United States employed for the same been made of national interest by the recent fishery dispute and Canadians are beginning to realize what vast possession. This industry is certainly one of vast import to our patient.

faithful, persistent worker on behalf of a weak and almost hopeless race.

His life was a noble one.

The funeral services at Hantsport on the 7th were attended by many friends. A sermon was preached by Professor Keirstead, dealing with the life and labors of Dr Rand, and drawling lessons therefrom. Tender culogies on their departed friend were spoken by on their departed friend were spoken by no behalf of a weak and almost hopeless race.

Englishmen, and French ships of-war were instructed to seize all vessels not arrying the flag of France found in the fishing waters. Encounters were frequent and bloody, but no one of the nations succeeded in driving its rivals from the field.

We find in 1744 France employed 560 ships and 27,500 men and caught 1,000,246 quintals of fish in the New-on their departed friend were spoken by on their departed friend were spoken by the field in the weather frequent and bloody, but no one of the nations and those who are opposed to daucing the delight. We have then two great classes of duties, the fulfillment of which secures its peculiar result. Beyond these we feel constrained to the performance was made for all, and no one ever had any that wasn't the better of it, Francis become says: "A little religion will make a man an atheist, but a great deal will make him a Christian." Now it is a great deal you stand very much in need of. You ought not to give sleep to your eyes or slumbe through life. Get all you can, but don't and I don't blame you You always will. It comes natural, When a mar gets religious he is better; when he isn't better he is not religious. Some think

they are religious sometimes when they are not. I knew a man that way Many a time when I was a boy did he Now in store a good supply best quality Honeybrook Hard Coal. Warrant warn me to flee from the wrath to come let go her grasp of the most lasting, enduring wealth of the world. But his righteousness didn't exceed that ed best in the market. For sale low. of the Scribes and Pharisees. It wasn't safe to go to bed with, let alone go to heaven. He would pray for the poor nd needy, the sick and the afflicted, the widow and the fatherless, the friendle and homeless, for the Queen, the Jews, Tom Thumb and the missionaries every morning, but he would not give a hungry tramp his dinner at noon. had money in the bank, and he gave a dollar and a half a year to his minister and missions. Now what that man had wasn't religion. He thought it was, and some lied and that I was an infernal scoundrel Christian a week and not help some one. And it is help we want. Show for all work.
