**Wedding Bells.**

A quiet but interesting event took place on Saturday afternoon, Sept. 11th, at 1:30 o'clock, in St. John's church, Cornwallis, when Grace, only daughter of Mrs. George Ruffes, of Wolfville, and Mr. J. W. McMahon, of Glace Bay, were united in holy matrimony. Rev. J. D. Hall performed the ceremony in the absence of the bride's rector.

The bride entered the church on the arm of her mother to the strains of Lohengrin's wedding march rendered by Miss Pleasant Brown. The bride wore a Belgian blue travelling dress with picture hat of black and white and carried a shower bouquet of sweet peas. The happy couple left by auto on a short trip.

**San Jose Scale.**

Truro, Sept.—Only 6 cases of the dreaded San Jose Scale in Nova Scotia orchards have been located this year by the provincial inspectors, according to Prof. W. H. Brittain of the College of Agriculture and Provincial Entomologist. This shows the value of the work being accomplished by the Entomological Department in keeping the N. S. fruit farms practically free from the presence and ravages of this pest. It is a noticeable fact that the six cases were found on stock imported previous to the inauguration of the government inspection over nursery importations in 1912. Not a single case of the San Jose Scale has been found on stock imported subsequent to that date. The comparative figures are very striking. In 1912 there were discovered 750 cases; in 1913, 64 cases; in 1914 only 4 cases, and in 1915, so far, only 6 cases, and all on stock imported prior to 1912.

**Sir William Van Horn Dead.**

Sir William Van Horn, formerly President of the Royal Victoria Hospital, Montreal, Saturday afternoon. In connection with the work of the Normal Course of the Pianoforte Department the following announcement is of interest: Pupils, boys and girls, who have had none or little instruction in Pianoforte, may have the advantage of good teaching under the personal supervision of Mr. McKee. In the Fall Term 20 lessons and in the Winter Term 24 lessons will be given at the average cost of 25 cents per one half hour lesson. In order to secure this rate at least six pupils must be enrolled. This is a fine opportunity for grounding pupils in Pianoforte study in accordance with the best methods. For further particulars see the Director, Mr. C. C. McKee.
