Sore Eyes

The eyes are always in sympathy with the body, and afford an excellent index of its condition. When the eyes become weak, and the lids inflamed and sore, it is an evidence that the system ass become disordered by Scrofula, for which Ayer's Sarsaparilla is the best known remedy. Sarsaparina is ne uces acon .

Scrotula, which produced a painful inflammation in my eyes, caused me much
suffering for a number of years. By the
advice of a physician I commenced taking
Ayer's Sarsaparilla. After using this
medicine a short time I was completely

Cured My eves are now in a splendid condition, and I am as well and strong as ever.— Mrs. William Gage, Concord, N. H. For a number of years I was troubled with a humor in my eyes, and was unable to obtain any relief until I commended using Ayer's Sarsaparilla. This medicine has effected a complete cure, and I believe it to be the best of blood purifiers.— U. E. Upton, Nashua, N. H.

From childhood, and until within a few mouths, I have been afflicted with Weak and Sore Eyes. I have used for these complaints, with beneficial results, Avers Sarsaparilla, and consider it a great blood purifier.—Mrs. C. Phillips, Glover, Vt. I suffered for a year with inflamma-tion in my left eye. Three ulcers forme, on the ball, depriving me of sight, and causing great pain. After trying many other remedies, to no purpose, I was finally induced to use Ayer's Sarsaparilla, and,

By Taking three bottles of this medicine, have been entirely cured. My sight has been restored, and there is no sign of inflammation, sore, or ulcer in my eye.—Kensal T. Bowen, Sugar Tree Ridge, Ohio. T. Bowen, Sugar Tree Ridge, Ohio.
My daughter, teny ears old, was afflicted
with Scrofulous Sore Eyes. During the
last two vears she never saw light of any
kind. Physicians of the highest standing
exerted their skill, but with no permanent
success. On the recommendation of a
friend I purchased a bottle of Ayer's Sarsaparilla, which my daughter commenced
riking. Before she had used the third
bottle her slight was restored, and she can
out pain. Her cure is complete. W. E.

"Now, look'ye here. It's no use foolin' with me. You know what I heard. If you don't, I'll tell you!"

"Very well, Mr. Paul Pry, what was it?" said the angry girl, who had quite lorgotten that any words were spoken at the gate.

"I heard him tell you you could come in any time the back way," Sam hoarsely whispered, watching her face with eyes of fire. She turned crimson as the sunof fire. She turned crimson as the sunset she was gazing st, and she felt as if she could have torn her cheeks with her finger-nails for blushing. She was aware of having done nothing wrong, nothing to be ashaused of. She had been all day cherishing the recollection of her visit to Farnham as something too pleasant and delicate to talk about. No swil thought had mingled with it in her own mind. She had hardly looked beyond the mere pleasure of the day. Blanket Suitings

Above all other earthly ills,
I hate the big, old-fashfored pills;
By slow degrees they downward wand,
And often pause, or upward tend;
With such disconfort are they fraught,
Their good effects amount to naught.
Now, Dr. Pierce prepares a pill
That just exactly fills the bill—
A Pelet, rather, that is all—
A Piercasant Purgative, and small;
Just try them as you feel their need,
You'll find that I speak truth, indeed.

But no woman ever looked so straight before her as not to observe the man beside her, and she knew, without moving her eyes from the spectacle of the sunset, that Som was gazing fixidly at her, with pain and trouble in his face.
