at rates much below what any stock Company where high profits are necessary to counterbalance the heavy risks run.

Policies for one to five years are taken at from 50c to \$1.00 per \$100.

Policies for one to five years are taken at from 50e to \$1.00 per \$100.

In cases where the policy is for more than \$1,000, a policy fee of \$5.00 is charged, and for \$1,000 and \$2,000 in proportion.

The last Assessment was only 15 per cent. on premutur notes.

For further information address CHAS, C. CARLYLE, Sheliac. It has come to the knowledge of the directors of the Company that some of the local agents have collected the assessments on the notes. Now this is direct contravention of the published rules of the Clinton. No one is authorized to collect the notes excepting the General Agent or the Manager; and any one paying to a local agent more than the policy fee of \$2.00 runs not only the risk of losing his money but also of having his policy cancelled. All policies are a paid by note in all cases. ROWLAND HILL, Manager. St. Catherines, Ontario.
