

Bowel Troubles

Liver pills, cathartics, mineral waters, often make Constipation worse. They irritate the bowels and force them to move—stop taking purgatives and the bowels become "tight" again.

"Fruit-a-tives" are the one certain cure for Constipation.

because their action is upon the liver, "Fruit-a-tives" are a liver tonic. They stimulate the secretions of bile by the liver, this bile causes the bowels to move in the natural, regular way and completely cures Constipation.

"Fruit-a-tives" are fruit juices with tonics and antiseptics added. In "Fruit-a-tives" one atom of bitter replaces one atom of sweet in the fruit juices, forming a new compound which is many times more active, medicinally, than the fruit juices could possibly be. 50c. a box—\$2.50 for 6 boxes. At all dealers'.

TROUT

MezzeWork

The undersigned have received from
Mr. Nash of Maine the agency for New
Brunswick for his famous trout mezzo
work. A trout mezzo is one half the fish
so mounted upon a convex elliptical panel
as to stand the fish out in bold relief,
giving the effect of an oil painting or
whisper of life, with the real thing to
show at your process. The process of
preserving fish in this artistic way was
discovered by Mr. Nash in 1900, and
patented by him.

**ALLEGED JAPANESE PLOT
AGAINST AMERICANS**

Investigation Being Made In
Cuba.

New York, Dec. 26.—A cablegram to the World from Havana says Governor Magoon is investigating a report that the Japanese are planning an insurrection in February against American rule in Cuba, the Philippines and Hawaii. This information was given to the American governor by Mr. Pardin, a government official.

Five Japanese are said to have been taking photographs and measurements of the fortification of Havana.

The secret police have been shadowing the five Japanese for three weeks. Governor Magoon ordered the police to watch them, but not to molest them.

Pardin overheard a conversation of the Japanese, who talked of planning an insurrection among the negroes in Cuba simultaneously with insurrection in the Philippines and Hawaii.

The Japanese plot is said to be due to the antipathy of the Mikado to the United States. This antipathy dates back to the Russo-Japanese peace conference at Portsmouth, and was accentuated by the killing of Japanese seal poachers and the exclusion of the Japanese from the schools attended by the white people in California.

The Japanese obtained entrance to the New Batteries at Havana and Cabanas by pretending to be reporters from the Havana Post. They are all well appearing and speak five languages. They lived in poor quarters in the suburbs, their suspicions were aroused and they removed to another address. Sunday the secret police found them and they again scattered.

It is said that a German acquaintance of Governor Magoon fears arrest.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of Opium Chloroform, or other ingredients commonly found in cough remedies. Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against Opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure.—Sold by THOS. J. DURICK.

Miss Wearyun (11 p. m.)—"I like to see a graceful man."

Mr. Borum (interrupting)—"Hem! Am I not graceful?"

Miss Wearyun—"Yes, and, as was saying, I like to see a man bowing himself out of my presence."

Croup can positively be stopped in 20 minutes. No vomiting—nothing to sicken or distress your child. A sweet, pleasant, and safe Syrup, called Dr. Shoop's Croup Cure, does the work and does it quickly. Dr. Shoop's Croup Cure is for Croup alone, remember. It does not claim to cure a dozen ailments. It's for Croup, that's all.—Sold by THOS. J. DURICK.

Thank goodness," said Bunkum, I can once more look the world in the face.

Because why? queried Winkum. Because the last of my debts was outlawed yesterday," explained Bunkum.

To stop a Cold with "Preventics" is safer than to let it run and cure it afterwards. Taken at the sneezing stage. Preventics will lead off all colds and Grippe, and perhaps save you from Pneumonia or Bronchitis. Preventics are little toothsome candy cold cure tablets selling in 5 cent and 25 cent boxes. If you are chilly, if you begin to sneeze, try Preventics. They will surely check the cold, and please you.—Sold by THOS. J. DURICK.

"I hear that you are contemplating matrimony, old man," said Green. How about it?"

It's a fact," replied Brown, but the outcome of my contemplation depends on the widow's night."

How's that?" queried Green.

"She might decide to marry me, and then on the other hand she might not," answered Brown.

Where the Good Saint Got
the Surprise of
His Life.

To a thrifty Mormon household came the patron saint of Yule;

He was puffing like an engine, he was laden like a mule.

For he knew a row of stockings such as nowhere else is seen.

Would he yawning there before him in the home of Elder Green.

So he shoved his pack ahead of him and started down the flue.

While he muttered, "This is something that I hate like smoke to do."

Then he followed with reluctance through the Smokey, smoky air.

Quickly landing where the hokey was hung in many a pair.

SEVEN PAIRS, ALL BABY SIZES.

There were papa's socks and twenty pairs of lengthy wife's hose;

There were socks for Eddie, Willie, for Elphale and Moses;

There were stockings of Matilda's, Emerald's and Susanna's;

There were Charley's hose and Molly's, Corn Belle's and little Dan's.

Amariya, George, Alphonso, Peter, Joseph, Maud, Eugene,

Arthur, Lizzie, James, Amelia, Mary, Frances and Irene.

Briggs, Reed, Lucile, Corinda, Anthea, John, Estelle,

Matie, Lucile, Elfrida—from his lips these titles fell.

But about the shelf there dangled other hose whose owners' names

He could not recall to save him as he watched the dying flame—

Seven pairs, all baby sizes, each in age not quite a year.

"Gee!" cried Nick. "Been something doing since the last time I was here!

Clad I brought a stock of rattles and a lot of tawdry rings—

Unh! always gives a racket for such kindergarten.

From 'twice suicide' she ever has discreetly held aloof,

And there's not a home in Zion free from stock tracks on the roof."

—Judge.

The Modern Mistletoe.
Prominent in the Christmas revels and, with the holly, most essentially "Christmas" of all the plants used was the mistletoe. With us the old significance and sacredness have gone, leaving but charm enough to give the well known privilege to the man who meets a girl beneath it. There exists also in some places the tradition that the girl who is not kissed under the mistletoe will not be married for a year. (The present writer once knew a thoughtful and provident dandy who wore a hat trimmed with the sacred plant.) But the kiss permitted in olden time was originally of the religious variety, our mistletoe celebration being borrowed from Scandinavian lore.—Critic.

Said Little Socrates.
"Some generous person," said little Socrates Bulgibrow of Boston, "has been kind enough to send me a copy of Mother Goose's lyrics for Christmas. Do you know, the theory that a representative of the bovine genus at one time leaped over the chief luminary of the night leads to some interesting calculations as to the muscular development of the cows of that time. I have ascertained that they must have been endowed with strength proportionate to that of the sea of the present day."—Baltimore American.

A Hard Headed Boy.
"Dar's jee' dis about it," said Mammy Minerva, "I's gotter han' dat Pick-aniny Jim over to de Society Foh de Prevention o' Cruelty to Animals."

"What's he been doin'?"

"We give him a goat foh a Christmas present, an' Jim an' de goat got to playin' rough, an' de fus' thing I knowed Jim he done los' his temper an' butted dat goat almos' to deff!"

He Knew the Boy.
Head of Firm—You had better give the office boy a couple of dollars, Mr. Penwiper, for Christmas.

Mr. Penwiper (the bookkeeper)—I think we had better make it a New Year's gift, sir. I have just sent him out with a telegram, and I don't think he will get back by Christmas.—Brooklyn Citizen.

A SUGGESTION OF RARE VALUE.
A diseased condition of the surface of the air passages causes bad breath, but more commonly emanates from indigestion or an impure condition of the blood. Thousands of cases prove that Dr. Hamilton's Pills through their speeic action on the secretory and eliminative organs, not only cure bad breath, but so thoroughly purify the system that anything suggestive of the blood or digestive troubles is impossible. Through Dr. Hamilton's Pills the skin grows rosy and clear, activity of the body and mind increases, and bounding health is established, sold every where in 25c boxes.

Vapo-Cresolene
Established 1879
Whooping Cough, Croup, Bronchitis, Cough, Grip, Asthma, Diphtheria, Croup, etc.

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach? It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.
