

## INDUCTED AT KNOX CHURCH.

The Large Congregation Again Has a Pastor.

Impressive Ceremony Took Place Last Evening.

Presentation to Rev. Dr. Fletcher, the Moderator.

Knox Church pulpit, empty since January, was filled last night, when Rev. Albert Edward Mitchell, late of Erskine Church, Ottawa, was inducted to minister to the large flock. The service was not largely attended, owing to the excessive heat.

Rev. Thomas McLaughlin, of St. James Presbyterian Church, opened the service, and preached the induction sermon. His text was from Matthew xvii, 19: "Then came the disciples to Jesus apart, and said, Why could we not cast him out?" His sermon lasted an hour, and created a profound impression. The need of prayer in all things was dealt with by him at length. The disciples in the text, he referred to as being unable to cast out devils, owing to the fact that they were of little faith. They should have co-operated with God. That is what is needed now—co-operation with God, before you can spread the light of His teachings.

Rev. Dr. Fletcher then took the chair as Moderator of the Presbytery. He outlined the situation, from the time of the first notification of Dr. Kelson's resignation. He spoke of the strong opposition met with from Mr. Mitchell's congregation at Ottawa, and said it reflected great credit on Mr. Mitchell. The usual form of questions were put and answered, and Rev. Dr. Fletcher led in prayer, after which the Presbytery extended the right hand of fellowship to Mr. Mitchell.

Rev. John Young, of St. John Presbyterian Church, was then called on to speak to the newly inducted pastor. He took as his subject the work of a minister of the Gospel. We are here over our congregations to interpret the light to them. To be able to do this, we have to interpret it to ourselves first. It is your privilege to interpret the light as it has appeared to you to those who come under you. To do this you have three great books—first, the book of Nature, and from it you can learn a great deal. The various sciences teach us much and assist us greatly in interpreting the light.

Second comes the book of humanity. "Know thyself" is the greatest thing one prophet ever spoke, and it is the chief end of man. We cannot hope to achieve much if we do not know a great deal about ourselves, and also about other people. We must know a man, not merely on Sunday, when his best side shows, but on a week day, in his business and home, and in different circumstances. We must become so intimate with a man as to better understand him and the teaching of the Gospel to him.

The last but, greatest book is the Bible. It is the book of goodness, and will enable us all to become better equipped for the work of the Lord. Through the foolishness of preachers men are saved, he said, and none are more fully the necessity of preaching than the ministers of God. It is through the foolishness of preaching that man and God are brought together in a condition to commune with one another. A minister often feels discouraged and depressed because all else is considered before that vital question of religion. There is much, he said, in encouraging men to accept interpretation of life by our unconscious influence. That influence is the living fellowship of God through Jesus Christ the Mediator.

Rev. S. H. Gray, of Dundas, then addressed the meeting. He told the congregation much depended on them for the success of this work of God. He impressed them with the need of helping their pastor, and that he was there to preach the Gospel, not for ambition or money's sake. Because he does not do this, do not criticize him, but rather rejoice in the fact that you are getting a new phase of the word. Each man sees only one phase of the word.

Mr. J. G. Gibson then took the platform and asked Dr. Fletcher to vacate the chair. Mr. John Wright went forward and presented a cheque to the Moderator, Dr. Fletcher. He said he had seen six ministers inducted in Knox Church, and he hoped never to have to see another induction there. The new pastor was then called upon, and was presented with a cheque for his first quarter's salary.

**Presbytery Meet.**  
At the meeting of the Presbytery, before the induction, Mr. J. B. Graham and Mr. A. C. Cunningham appeared on behalf of St. Giles' Church and obtained permission to organize. Rev. Dr. Anderson, of Burlington, and Mr. Geo. Rutherford were appointed a committee of organization.

## HALDIMAND BOYS.

Hamilton Contingent Going to Reunion on Dominion Day.

The Haldimand Old Boys held another enthusiastic meeting last evening at the Waldorf. Quite a number of additions have been added to the roll, and it is growing every day. A committee was appointed to see about the transportation of the Old Boys to the reunion to be held at Dunnville on June 30, July 1 and 2. There was some talk of taking a band along, but it was decided to take that up at a late meeting. Carvers have been appointed and are out around the city, ascertaining if there are more Haldimand Old Boys who have not yet joined the association. The next meeting will be held on June 11.

## HOME OF THE FRIENDLESS.

The committee for the "Home of the Friendless and Infants' Home" acknowledge with thanks the following donations for the month of May: Mrs. McIlwraith, child's cot and swing. A. O. U. W., quantity of sandwiches and cake.

"Winifred," two cans of fruit. Wm. R. B. Hill, scones weekly. Mr. Lees & Son, rebate on bread account.

Mrs. F. W. Gates, caps for the children.

The monthly meeting will be held at the Home on Tuesday, June 2, at 10 a. m.

## A VOLUNTARY MARTYR

Man Inoculated With the Germs of Consumption in the Interest of Science.

New York, May 28.—In the hope of discovering a preventive and cure for tuberculosis, Frank Merritt, who volunteered to surrender his body in the interest of humanity and medical science, has permitted a physician to inoculate his system with the germs of the dread disease. An examination made yesterday showed that already the disease had made considerable progress since the inoculation, a week ago.

Merritt, who is a middle-aged man, was once a prosperous book-binder in a western State. According to his story, his wife and a promising son died, victims of tuberculosis. Their loss preyed on his mind to such an extent that he finally failed in business and became a wanderer. Two weeks ago he applied to the Salvation Army headquarters in this city for lodging, and was sent to the Salvation Army Hotel in Chatham Square. It was here that he first announced his willingness to die if his death might aid in any way in combating the spread of tuberculosis. He said he was prepared to submit himself to a committee of physicians or a hospital staff for experimental purposes in testing the effects of different kinds of medicine. For several days he waited for a reply, but no one appeared to take advantage of the offer. Finally Dr. C. C. Carroll, of 2,102 Broadway, found Merritt, and last Thursday inoculated the man with the germ of tuberculosis. A statement from the doctor's office says that the disease has now thoroughly entered into Merritt's system, and it is expected the case will be well under way in a few days.

## TO BE OPENED ON MONDAY.

Maternity Home of the Salvation Army Has Become a Large Institution.

SALVATION ARMY MATERNITY HOME.

The above cut is that of the maternity home of the Salvation Army, located at 13 Mountain avenue, which will be opened on Monday afternoon by his Worship Mayor Stewart with becoming ceremony. Commissioner Coombs, the head of the Salvation Army in Canada, and Mrs. Coombs will be present and will speak, also several of the clergymen and doctors of the city. This good work was started 11 years ago, when the present property was bought. Since that time extensions have been made at a cost of about \$5,000, and the result is the home to be seen at the present time. There are 50 inmates, and the work is rapidly growing. Ensign Miss Anna Price is at the head of the institution and with her are one nurse and five assistants.

The energy of the Salvation Army is constantly before the citizens and the members must be complimented on their devotion to duty, which has brought forth such splendid results.

**BIRTHDAY AT SANITARIUM.**  
DAUGHTERS OF EMPIRE PRESENT A FURNISHED COTTAGE.

Good Attendance From the City and a Pleading Ceremony—Many Gifts to the Institution.

Yesterday afternoon at 3 o'clock a well-filled special car left the Terminal Station for the Mountain Sanitarium, to be present at the second anniversary party and to see the presentation by the Daughters of the Empire of a furnished cottage for consumptives. Besides those in the special car many went on the regulars. Arriving at the grounds, the party immediately adjourned to the new cottage, and on behalf of the Daughters of the Empire, Mrs. P. D. Crerar, agent of Municipal Chapter, handed it over to the Hamilton Health Association. In a short address Mrs. Crerar stated that subscriptions from the different chapters were as follows: Municipal, \$250; St. Cecilia, \$150 for entire furnishing; St. Elizabeth, \$150 for linen and \$50 for building fund; Paardburg and St. Hilda, \$75 each; Caxton Chapter, \$70, and last, but not least, the Kyerson school Children of the Empire, \$35.

On behalf of the Hamilton Health Association, and in the absence of the President, Dr. Holbrook accepted with thanks the cottage so kindly presented. Mrs. C. H. Peebles, Mrs. T. Fanning, Mrs. J. Griffin, Mrs. F. Binkley, Mrs. E. Snyder, Mrs. J. R. Barker, Mrs. F. H. Whitton, Miss Whitton, Mrs. W. H. Loving, Mrs. Robt. Gardiner, O. McKenzie, Mrs. Abbott, Mrs. Almon Abbott, May T. Burkholder, Mrs. S. A. Walker, and a great many others.

As the event was a birthday party, many gifts were received by the institution.

An Italian named Pietro Junti was killed in Montreal near the Windsor station. He was walking on the track and was hit by an engine.

Charles Barrett, aged 17, who had been in Canada less than a month, died from sunstroke at the farm of John Weidrick, near Newtonbrook, on Wednesday.

## MANY BATTLES.

Japanese Forces Have Fought 53 With Korean Rebels.

Seoul, Korea, May 29.—According to military reports a total of 53 engagements were fought during the month of May in the campaign of the Japanese forces against Korean insurgents and rioters. Five hundred and forty-nine insurgents were killed, and many wounded, and a large number captured. The Japanese lost thirty killed. The insurgents invariably outnumbered the Japanese force five to one.

Many of the Korean insurgents who have given the Japanese administration much trouble are surrendering. In fact the insurrectionary movement has lost all semblance of organization and direction since the only recognized Korean insurgent leader came to Seoul on May 27 and gave himself up. At the Japanese military headquarters it is confidently predicted that the entire disturbing element in Korea will be subdued within sixty days. Genfarms are now thoroughly distributed throughout the disaffected provinces.

## INSPECTION.

Right Half of Thirteenth In Fine Form.

Owing to the fact that in the orders issued last evening from the headquarters of the 13th Regiment it was stated that the weekly parades would be discontinued, there was not the large attendance of the right half last evening, at the inspection, that was expected by the commanding officer. Nevertheless the work of the company was before Col. Denison left no room for doubt that the 13th is one of the best drilled corps in the militia of Canada. The company drill was especially excellent, the men going through the different manoeuvres without a mistake. The drill under the captains was snappy, and, considering the extreme heat, the men worked with surprising quickness. Col. Denison was greatly pleased and said so, in a short speech. At the conclusion of the drill, he was entertained in the officers' quarters.

The parade state was as follows: Col. Moore, Major Mewburn, Capt. Domville, adjutant; buglers, 40, A 55, B 58, C 57, D 47, total 262.

## AMUSEMENTS

A large and enthusiastic audience gathered at the Association Hall last evening to hear the recital given by the pupils of Mrs. Martin-Murphy. The programme was long, but the splendid singing and playing atoned for the length of it. Each of the pupils displayed excellent talent, and sang and played with splendid taste. The programme was as follows:

**Howard Pupils' Recital.**  
The third of a series of recitals given by the pupils of F. M. and E. M. Howard was the attraction at their studio, corner of MacNab and Hunter streets, last evening. It is difficult to place special credit on the most deserving, the whole programme being very creditable. Miss Rena Hummel's interpretation of Beethoven's sonata and Florence Clark's rendition of Bohm's Cavatina were faultless. It is always enjoyable to hear a young man who has received careful tuition at the keyboard, and this was fully demonstrated by Fred Haygarth, Percy Farrell and Reginald Dennis. They have the snap and vigor so necessary for the rendition of brilliant classics. Wilnot Hutton's conception of Lack's Idilio was pleasing. The programme follows:

Piano—Fairy Barque... Smallwood  
Stuart Moore.  
Violin—La Cinquantaine. Gabriel Maria Gladys Lennard.  
Piano—Falling Waters... Truax  
W. Sheppard.  
Piano—Valse in E flat... Durand

Ethel Keeble.

Piano—Adagio and Allegro from Sonata Pathetique Op. 13... Beethoven  
Rena Hummel.  
**At the Savoy Theatre.**

The attraction at the Savoy Theatre next week will be John A. Fraser's version of "The Little Minister." J. M. Barrie's great Scotch comedy in five acts. This is one of the strongest plays at popular prices presented here yet, and ought to prove an exceptionally good drawing card. It will be staged with special scenery. A feature in connection with the Savoy that will especially commend itself to theatregoers during the warm weather is the fact that it is one of the coolest spots in town. This is accomplished with the aid of electric fans and other special arrangements.

**Y. W. C. A. Concert at Erskine.**  
There was a small audience in Erskine Church lecture hall last evening, although the concert given by the Young Women's Christian Association was an excellent one and the talent first class. Among those who contributed to the programme were Mrs. Geo. Allan, Mrs. Darling, Mrs. (Dr.) McNicol, the Misses Edgar, Coutts, and Mr. Morden. Miss Irene Bastedo, elocutionist; Miss Herald and Miss Scott, accompanists. Although the audience was small it was very appreciative.

**Russian Actress To-night.**  
Madame Nazimova, the great Russian actress, who learned the English language in six months and was able to give a first performance in our language to lend a new importance to "Hedda Gabler," one of the most complex problems that ever was attempted by an Eng-

lish-speaking actress, had her first severe schooling in English under Ellen Terry. Madame Nazimova recounts the incident as follows: "I always like to think it was an English woman who gave me my first opportunity to use the English speech in public. She was Miss Ellen Terry. When, together with the other Russian players, I was stranded in London, Miss Terry induced several managers and prominent English theatrical people to get up a special matinee performance for us. At its conclusion I was called before the curtain several times, and a speech was demanded of me. I knew almost nothing of English and was terrified at the idea. 'Go on again,' said Miss Terry, 'and say 'I thank you.' I tried to catch her crisp, beautiful speech, and managed to stammer out, 'I thank you.' My crude pronunciation seemed to answer the purpose at the time, and the way this 'speech' was received determined me. I think, to learn the language that seemed to have such a magnetic charm over audiences. It is interesting that while this great

Russian actress has mastered our language in a very short time, very few Americans have learned how to pronounce her name. Nazimova is the feminine of Nasimoff, her family name, and is pronounced Na-zee-mo-va, with the accent on the second syllable. Nazimova will be seen at the Grand to-night in "Comtesse Coquette."

A Parks Playground Association is to be organized, to secure supervised and equipped playgrounds for the children of Toronto.
