Rain checks to-day.

That sporty colored man, Jack Johnson, breezed into Gotham the other day, bought himself a \$3,000 gas wagon, and then went to Tiffany's, where he invested \$1,800 of the money he made boxing O'Brien in a great big spark. It was not long ago that Jack was sparring for coffee and cigars, but now he displaces a large atmospheric space wherever he makes his appearance, and spring chicken, with gravy, from the country, is his regular menu.

The members of the junior class of the Grand Blanc High School have adopted as a class motto, "Dan Patch, 1:55." They wanted something different from the ordinary class motto, and they certainly got what they were looking for. Then, to add a little racing color to their class, they decided on red and green as their class colors.

When King James was first home in the Brooklyn it was his seventh consecutive win for Hildreth. On January 29, at Los Angeles, he won a \$400 overnight handicap. He won the Burns, a mile and a quarter, worth \$10,500, at Oakland; the California Handicap of the same distance and worth \$5,850, at Los Angeles; the Speed Handicap, six furlongs, and worth \$4,850, Metropolitan Handicap, at Belmont Park, and worth \$4,000; Toronto Cup of a mile and a quarter and worth \$4,650, and the Brooklyn Handicap, with a value of \$4,000.

He was the horse that Madden sold, while he kept Fayette.

If Jeffries wants to really show that he is gradually recovering his old form preparatory to meeting Johnson in the ring, he can have a chance at Colma during the summer. Coffroth says that he will hang up a \$10,000 purse for Jeffries to meet some good lightweight in a 10 or 15-round bout, providing the Colma Club can have the moving picture privileges. Coffroth says Fireman Jim Flynn might be a good trial horse for the boiler-maker, and that such a bout would draw a big gate.

Weather, which has been generally unfavorable to baseball since the start of the series, was at its worst yesterday throughout almost the entire eastern half of the States. Boston was the only point in the major league circuit where rain or wet grounds did not prevent play in the afternoon, and even there the threatening clouds gathered. Detroit won the game at Boston, thereby gaining a slightly more substantial leadership in the league. The other seven major league games scheduled for yesterday were shelved, adding to an already large number of postponed games, which must be worked into double headers as the season wears on. The Eastern League, with its unusually heavy schedule this year, has also suffered from the weather, and two more postponements at Baltimore and Jersey City were necessary.

HARRIERS WON.

East Enders Had Races and Centurals a Meeting.

The feature of the meeting of the harriers last night was a two mile race in which Allen defeated Small and White by ten yards. Small and White sprinted the last hundred yards, and same were tied at the finish. The results were:

10 yard dash—Small, White and Cox.
Standing high jump—White, Summerfield, Seneca, Findlayson.
Putting 16-lb. shot—Small, Summerfield, White, Seneca.
2 mile run—Allen, White and Small tie, Findlayson.

George Clark acted as starter and W. Snider and J. Blackie were the judges.

The leaders in the contest now are small White, Summerfield and Seneca. THE CENTRAL HARRIERS.
A meeting of the Hamilton Central Y. M. C. A. Harriers was held in the boys' parlor of the Y. M. C. A. last night with President Fred Dean in the chair. After the business of the club was concluded, Mr. J. E. Cox gave the boys a talk on this trip to Bermuda, telling about the rough voyages going and coming, the coral reefs, the inhabitants and the wonderful caves.

The club's official paper was read by the editor, Mr. John B. Brainbridge.

At the close of the meeting one new member was initiated.

ST. YVES WON AT WINNIPEG.

Winnipeg, June 5.—Henri St. Yves easily defeated J. D. Marsh, a local runner, who recently won the Toronto Marathon, in a fifteen-mile race here last night. In the ninth mile St. Yves gained a lap on his opponent and finished fully three-quarters of a mile ahead, in 1:23:32, on a track which was anything but conducive to good time. The Frenchman ran away at the start and was never pressed, finishing as fresh as when he began.

By an order-in-Council the time fixed up to which small stamps were to be issued by the Inland Revenue Department to be placed on packages of patent medicines manufactured prior to the first of April, is extended from May 15th to Aug. 15th, 1909.

A case of smallpox was discovered on the Allan Line steamer, and the vessel has been held in quarantine.

FOUR FAVORITES WON

Good Racing at Woodbine Yesterday.

High Jumping at Galt Horse Show.

Rain Prevented Many Ball Games.

Woodbine Race Track, Ont., June 5.—A cool breeze from off the lake made things quite comfortable at the track yesterday afternoon. Six well filled events were on hand and the scratches were few.

The bookies did not do so much moving around to-day, but managed to do business standing in two fairly straight lines. They were moved back from the fence near the general enclosure about 100 feet, so that the line extended almost to the head of the stretch. Two officers were stationed, one at the end of each line, to prevent them from coming too far westward.

The two-year-old Set Back was disqualified on a previous start here, and gave another chance for similar action yesterday, as he bore over on Hickory Stick when making his run in the stretch, and Jockey Rettig made no effort to take him off, for which he was fined \$50. Set Back went right on and passed Dalhousie, too, which put him in front, and landed his owner the purse. When Lady Etta broke at the start there was some jostling, and Jockey Foley lost his stirrups. The filly was pulled up, and cut no figure in the race.

The last race of the day was a brilliant and exciting struggle. Carthage and Hiacko raced out in front till they beat each other, and then St. Elwood took the lead. Hiacko held on well, though, and it was all Edwin Gum could do to beat him a head for second place.

WOODBINE NOTES.

It was announced yesterday that the Maryland Jockey Club had decided to disqualify all horsemen and horses that race at Dufferin Park. This means that not only will they be barred from all Canadian tracks, but also from the Baltimore course, Havana and Tampa.

Trainer John Nixon was yesterday presented by the owners of the Valley Farm Stable with a beautiful piece of silver plate, inscribed in commemoration of the victory of Shimomese in the King's Plate.

Beau Chilton, who was unable to get a place in the two-year-old race yesterday, is an eligible for the Epsom Derby day, but there is no likelihood that he will prove a Derby horse. The colt is owned by Mrs. R. W. Walden, but he has not done well here, being quite below his Baltimore form.

Wm. Walker has sent the stallion Earl Rogers, a good racehorse over a distance, to Uxbridge, where he will be placed in the stud. Uxbridge is Mr. Walker's birthplace.

Jockey Shilling, who is under contract to the stable of R. L. Thomas, but refuses to report to his employer, is in Victoria, B. C., where racing begins to-day. He will not be allowed to ride there.

AT THE HORSE SHOW.

Galt, June 5.—A new record for large attendance was established at the Galt Horse Show yesterday afternoon. It is estimated that there were four thousand people on the grounds, and standing events in the ring surpassed anything seen in previous years. The hardest contest of the day was the high jump. The fight was between Pepper's Myopia and Hugh Wilson's Flying Lady. Both cleared 7 feet 1 inch, but neither was able to negotiate 7 feet 7

RANGERS WON, 1-0.

Berlin Team Still Leading in Senior Race.

Berlin, Ont., June 5.—The Berlin Rangers are still unbeaten in the senior championship of the W. F. A., defeating Preston here last night by 1 to 0 in a game which was very much more in Berlin's favor than the score indicates. In fact, there was only one shot on the Berlin goal, but the visitors put up an excellent defence game.

The single goal of the game was tallied by Bowyer on Holmes' pass, after a beautiful rush down the left wing. Lou Krueger handled the game in a capable manner. The teams were:

Preston—Goal, Rook; backs, Schmidt, Whetnam; halves, Bowman, Petman, F. Sullivan; centre, Denham; right wing, Sullivan; left wing, Usher, Eichrider.

Rangers—Goal, Brown; backs, Mitchell, Burnham; halves, Bitzer, Jansen, Ezgar; centre, Pequegnat; right wing, Bowyer, Pierre; left wing, Arno, Holmes.

OTHER GAMES.

At Woodstock—In a game in the W. F. A. senior series here last night Woodstock defeated Stratford by a score of 3 to 2. The game was played in a heavy thunderstorm.

WHO IS MOX SCHMIDT?

German is a Wrestler of Class.

He Defeated Brown and Four Others

Small Crowd at Last Night's Wrestle.

Who is Mox Schmidt? That was a question that was on the lips of nearly every wrestling fan who saw him work at Britannia Rink last night. Schmidt was booked to meet Bert Brown, of Brantford, the man who stood Sam

Schmidt looked to be at least 155. The men were to meet at catch weights. Schmidt then announced he was prepared to meet all comers, giving \$1 a minute for every minute over ten that any of them could stick.

Lockie McMaster, the heavyweight skating artist, was the first to try conclusions with the German wonder. Schmidt put him away in nine minutes.

A man named Burns followed and he lasted seven minutes. Sam Zeller, the strong barber 11, announced he was not in condition, but would do his best. Schmidt toyed with him for ten minutes and then put him down and out. Schmidt used a full Nelson in the most approved manner.

Zeller asked for a match, with a side bet, but he was not taken seriously. The curtain raiser was provided by Jack Walsh and Joe McMahon. The affair was to have gone six rounds, but Walsh got the decision in the third.

Billy Carroll was referee and Wilbur Burke the timer. The attendance was poor, but those present got lots of action for their money.

Schmidt announced that he is ready to meet any wrestler in America at 150 to 160 pounds. His manager claims that he is a new comer into the game and was discovered by the man who discovered Demon Barti, who came into the limelight as "Acton's Unknown" here a few years ago.

GOTCH ALWAYS WINS.
Minneapolis, June 5.—Frank Gotch, world's champion wrestler, last night took two straight falls from Harry Ordeman, of this city, the first in 25 minutes and 35 seconds and the second in 10 minutes.

PROMOTER WAS ABSENT.
Brantford, Ont., June 5.—(Special)—A rude jolt was handed to a big gathering of local sports last night, who turned up at the roller rink to witness a 25-round fight between Tommy Murphy, of Buffalo, and Joe Neary, Milwaukee. Neither the promoter nor the principals appeared and the crowd was informed that the fight was off.

There was a large advance sale of tickets. A NICE WHITEWASH.
Toronto Defeated Rochester Yesterday, 3-0.

Rochester.—There was too much McGinley in yesterday's ball game, and Rochester was shut out by Toronto, 3-0. The only surprising thing was that the Leafs did not score earlier than the eighth inning. They had chances galore, but could not keep out of the traps which the locals set for them. Snyder, the Rochester twirler, had no judgment or curves, so that the Bronchos had to work hard to pull him through as well as they did. McGinley held Rochester to four hits, only one, that by Batch, being clean, and only twice was he in the least danger of being scored upon.

Score: R. H. E. Rochester 0 4 2 Toronto 3 12 2 Batteries—Snyder and Butler; McGinley, Al. Buffalo—Buffalo 1, Montreal 0.

Other places—Rain. IN THE AMERICAN.
At Boston—Detroit won from Boston yesterday by 5 to 0 by bunting hits and taking advantage of the locals' misplays. Mullin pitched an excellent game, and scored his tenth straight victory of the season. Schaefer and Wagner were forced out of the game by being slightly injured, and Lord was spiked, but not badly. The score: R. H. E. Detroit 5 9 2 Boston 0 9 4 Batteries—Mullin and Schmidt; Morgan and Burchell and Donohue.

IN THE CHURCH LEAGUE.
In the Church Soft Ball League at the Victoria Park last evening, the Garth Street Mission defeated St. James' by a score of 5-2. Lemmond, the slab artist for the missionaries, was in fine form, having 14 strike outs to his credit. He was well supported. The teams lined up as follows: St. James' (2)—Oliver, C. J. Currie 3b,

in this country Fitzsimmons and Burns couldn't draw fits, in the opinion of many boxing managers. It is possible, however, that McIntosh, who is Burns' manager, has simply picked out Fitz as a sure-thing easy-mark for the discredited French-Canadian, now permanently residing in the Antipodes. There is no doubt in the mind of ring experts that Ketchell could knock Burns and Fitzsimmons out in the same ring, the same afternoon.

New York, June 5.—Sammy Smith, of Philadelphia, practically unknown, defeated Young Corbett in a 10-round bout at the Fairmont A. C. last night. Smith won because he was younger, stronger, more clever, and in far better physical trim. Corbett did a lot of wild rushing and swinging, but Smith's defensive tactics nullified a greater part of this attack, while his well directed blows cut Corbett's mouth, nose and right eye for a copious supply of blood. Corbett, of course, was game and full of fight to the end, but in Smith he met more than his match, as far as the fight went, Corbett's friends were visibly disappointed with his showing.

New York, June 4.—Joe Jeannette, the negro heavyweight, and Willie Lewis, the New York middleweight, fresh from their many battles in Paris, reached here yesterday from Europe on board the steamship Lusitania. Jeannette was made an idol by the Parisians, who regarded him as a wonderful boxer.

Jeannette says that his treatment in the Paris capital was in every way fair. Jeannette's last battle abroad was with Sandy Ferguson, of Massachusetts, whom he defeated. Ferguson returned to few days ago to Boston.

Willie Lewis scored repeated successes in the prize ring, defeating a half-dozen of the best English middleweights, and winning an interesting bout from "Honey" Melody, of Boston.

At Niagara Falls Steven Crane, a miller for England on Friday afternoon. While operating a chopping mill he was caught under the pulley by the arm and drawn in. He was whirled several times around the shaft at a fast rate, but fortunately broke loose and fell to the floor. He was badly injured on the head and face, and bruised all over his body.

A half day cricket match was played yesterday on the home grounds between Varsity and Hamilton. Hamilton eleven won the toss and took the innings, sending in G. C. Ferrie and S. F. Washington to bat. The latter batted well before he was caught by Scott. He contributed 44 runs for his side. The other doubles were made by J. Counsell, 25, and G. Southam, 32, not out. Both
