NIAGARA FALLS TO CELEBRATE
NIAGARA FALLS, Ont., June 25.—Mayor Stephens states that in all probability he will declare a half holiday as soon as news is received that the Peace Treaty has been signed. The City Council is also planning to hold a general reception to the returned men of this city about the middle of July, when a public holiday will be declared and a first class program arranged for the entertainment of Niagara Falls' heroes.

WANT A SWIMMING POOL
NIAGARA FALLS, Ont., June 25.—At a representative meeting of the citizens in the Public Library Hall here last night a strong committee was formed to devise funds for the erection of a public swimming pool for this city. Although the water of the greatest chain of lakes in the world converges at the very doors of Niagara Falls, citizens have to journey several miles to outside points to reach a safe place to bathe. The meeting tonight, which was called by the Chamber of Commerce, was well attended and from the enthusiasm shown the project should be a success from the start.

Joseph Zimontson, seven years old was instantly killed by a train at Montreal, his head being severed from his body.

EL PASO, Texas, June 25.—Sixty three Villa rebels were killed and many more wounded on Saturday in a fight between federal troops and Villa forces for possession of Villa Ahuma, according to a military dispatch given out here today.

According to the despatch General Juarez, federal cavalry commander, attacked the Villa forces in Villa Ahuma during the day. The fight was kept for hours, the federal cavalry charging the Villa positions inside the town, until finally the rebels were forced to retire, leaving their wounded in the town, according to the dispatch.
