

CANADA

PROVINCE OF PRINCE EDWARD ISLAND.

In the Probate Court, Fifth day of October, A. D. 1909.

In re Estate of George D. Longworth, late of Charlottetown, in Queen's County, in the said Province, deceased, testate.

By the Honorable Richard Reddin, Barrister, Judge of Probate, etc., etc., etc.

To the Sheriff of the County of Queen's County or any Constable or literate person within said County, Greeting:

Whereas upon reading the petition on file of Charles H. B. Longworth, Merchant, Minnie Mayne Longworth, widow, and Angus A. McLean, Barrister-at-Law, executors of the last will and testament of George D. Longworth, late of Charlottetown, aforesaid, deceased, testate, praying that a citation may be issued for the purpose hereinafter set forth: You are therefore hereby required to cite all persons interested in the said Estate to be and appear before me at a Probate Court to be held in the Court House in Charlottetown, in Queen's County, in the said Province, on Wednesday, the tenth day of November next coming, at the hour of twelve o'clock noon of the same day, to show cause if any they can why the Accounts of the said Estate should not be passed and the Estate closed as prayed for in said petition, and on motion of Mr. Donald McKinnon, Barrister for said Executors, and I do hereby order that a true copy hereof be forthwith published in the Herald newspaper published in Charlottetown, for at least four consecutive weeks from the date hereof, and that a true copy hereof be forthwith posted in the following public places respectively, namely, in the Hall of the Court House in Charlottetown, at or near Lord's Tavernery, East Royale, and on the School House, West Royale, so that all persons interested in the said Estate as aforesaid may have due notice thereof.

Given under my hand and the Seal of the said Court this fifth day of October, A. D. 1909, and in the sixth year of His Majesty's reign.

(Signed) RICHARD REDDIN, Surrogate Judge of Probate.

Donald McKinnon, Esq., Proctor.

Oct. 6th, 1909-41

LOCAL AND OTHER ITEMS

Cameron of Amherst won the ten mile road race at the St. John athletic sports on Saturday in 55 minutes and 20 seconds.

Native Belle a two year old filly driven by Thomas Murphy trotted a mile 2:07 1/2 at Lexington Kentucky on the 6th.

Andrew Carnegie has given \$100,000 to McGill University. The money to go towards the general fund of \$200,000 which the friends of the University started to raise some months ago.

There was a very small attendance at the market yesterday; the heavy rain in the forenoon kept people away. Prices were practically unchanged from last week, as will be seen by our price list.

John Bayliss, a race track follower, accused of stealing a coat in the Hamilton police court the other day; admitted having been convicted of the murder of another race track follower at New Orleans. He had only completed a two-year sentence for that crime recently. Judge Monk sentenced Bayliss to six months in the central prison.

A Parliamentary paper just issued in London says that 351 militant Suffragettes have been committed since the beginning of the movement. Of these 197 were committed for assaulting the police or breaking windows. And all these 197 gals have been committed to demonstrate their qualifications to make and observe the laws of the land.

During the recent unusual tides, in New Brunswick Gilbert Carter, of Westmoreland Point was picking cranberries near Tongue's Island, when a sudden rush of water came upon him through a break in the dyke surrounding and nearly drowning him.

The five-days-old son of the Crown Prince of Germany had high official honor paid him in New York, when the nineteen great warships representing six nations at the Hudson-Fulton celebration, dressed ship and fired 399 guns in his honor.

Advices from Western Canada say that fires are sweeping through portions of Southern Alberta, wiping out whole districts. Saskatchewan is also suffering from bad fires with heavy losses to crops. Many farmers have lost their whole crops.

The Wholesalers Association of Detroit Michigan protests strongly against the U. S. treasury department putting into effect retaliatory clauses against Canada. They claim it will provoke a tariff war detrimental to the United States.

Three men were sighted on a barren island off the coast of Newfoundland on the 6th, making signals of distress. It is thought that they are part of the crew of some fishing vessel wrecked on a return trip from Labrador. A coasting steamer was ordered to the scene.

It is reported from Belfast Ireland that the Harland Wolf Company is seeking the co-operation of the Canadian Government for the establishment of graving docks and repairing yards on the Canadian coasts to accommodate Ocean liners.

The annual meeting of the Lake of the Woods Milling Co in Montreal on the 6th was made notable by President Meighen's announcement that a bonus of \$10 per share would be paid to owners of common stock on November 8th. The net profits for the year were \$723,380.

Explorers of the polar regions do not engage in the business wholly for the benefit of their health. This is shown from the fact that Dr. Cook lectured two nights in succession in St. Louis and received \$10,000. A thousand dollars for an hour's talk, fact or fiction, is fair compensation.

A very serious and regrettable accident occurred at Bridgewater N. S., the other day when Alvery Adams, a brakeman on the Caledonia train had his foot caught in a draw bar and nearly severed from his leg. In the afternoon he was taken to the hospital at Halifax to have the injured member amputated.

Ottawa advises say: Representatives of the most prominent shipbuilding firms in Great Britain are in communication with the Government with a view to establishing plants in Canada for the construction of Canadian war vessels, and building a large shipbuilding industry to meet the already growing needs of the Canadian marine.

Louis Lavoie of Rimouski, who for some years has been on the staff of the Intercolonial, at Moncton, has been appointed General Purchasing Agent of Government Railways. He will have full charge of all purchases for the Intercolonial and P. E. I. Railways, and will be stationed at Ottawa and have a clerical staff.

A beautiful sunny day following Saturday's discouraging down-pour, made the start in the International balloon race for the Golden Bennett cup at Zurich Switzerland a splendid success from every standpoint, and more than 200,000 persons watched the seventeen balloons soar skywards and disappear on the horizon, in what is likely to prove a striking contest to cover the greatest distance.

Brigadier General Lawrence Huchen, Commander of the Quebec division of the Canadian forces, died at the Royal Victoria Hospital, Montreal on the 7th. He had been ill for some days with pneumonia. He had been in the military service 27 years and had seen much active service. His distinguished woman was alone, demanded money and attacked the woman when none was forthcoming. The barking of a dog spared him away.

Intelligence from Ottawa announces that the fourth Regiment of Artillery of this Province again leads the Dominion in Artillery competition. To No. 1 Company, 4th Regiment 'A' was given first place over all the Dominion in the general efficiency competition winning the Governor General's hand-some cup and a cash prize of \$50. No. 2 Company of the same Regiment wins second place winning a special trophy and \$40.

Mrs. John McInnis, wife of a farmer living near Sables Cote, Miramichi township Ontario, was attacked in her home by a tramp on Saturday before last and brutally beaten. Her husband was in the field at work and did not hear her screams. The tramp came to the door and asked for bread. He was allowed into the house and, seeing the woman was alone, demanded money and attacked the woman when none was forthcoming. The barking of a dog spared him away.

At the meeting of the chess board on Friday last the highest price paid was 114 cents.

All the bodies have been recovered from the extension mine at Nainaimo B. C., making the total deaths thirty.

At the Amateur Athletic Indoor games at Madison Square Garden New York Thursday last week, William Halpenny, formerly of Charlottetown, won the pole vault for height, with 11 feet six inches, four inches higher than the best indoor national record.

Death tragic and sudden, came to Frederick Dodge of St John last Wednesday evening. Dodge succumbed, to heart failure while sitting on the edge of Rodney Wharf and fell into the slip. He was taken from the water in a very few minutes, but was already dead.

Attorney General Hazen of New Brunswick has ordered Corporal Doherty of Campbellton, to hold an inquest into the death of the deceased railway employee, and has instructed W. A. Mout, of Campbellton to represent the Crown at the inquest.

Sir Charles Rivers Wilson, according to reports from London is likely to retire from the Presidency of the G. T. R. The Canadian Government even if it does not make choice of his successor, may indicate in which direction it is desirable for the choice of the Board to fall.

Commodore Haworth Booth, of the British warship Brilliant, in the name of the Imperial government, formally took over the other day the Newfoundland steamer Terranova, which will carry Scotia's Antartic expedition southward. The Terranova will leave in a week for London to be equipped for the voyage.

Rats carried matches into the cellar of H. C. McLeod, Manager of the Bank of Nova Scotia, 8 Beaufort Road Toronto and deposited them in some shavings. Then the rodents must have scratched at the shavings until the matches were ignited for a lively little blaze resulted. It was soon discovered however, and quickly quenched before the firemen arrived. (Mr McLeod has many friends in this Province.)

One of the worst fogs in the history of Windsor Ont. stopped all navigation. The G. T. R. car ferry went ashore and a big freighter was so hard aground that her cargo will have to be sacrificed. Two street cars crashed together in the mist and three people were hurt. A boy was run down by a truck which emerged from the fog. Two rigs also collided in the darkness and three persons were hurt.

A novel attempt to wreck a train on the Bangor and Aroostook Railway has been discovered. Frank Tibbitts on his way home walking along the track found a canvas bag lying between the rails. He pulled out a stick, which he recognized as dynamite. He was just in time to snatch the bag off the track as the night train whistled for the Junction. Investigation failed in any definite result.

William Sidis son of Dr. Sidis of Brookline, is the youngest and smallest student that ever matriculated at Harvard University. He is only eleven years old, but is a prodigy, particularly in mathematical studies, having already mastered the elementary branches. The young student will make a specialty of mathematics and will take up studies of a most advanced character.

After breaking a world's record for a flight over a closed circuit of a kilometre, Wilbur Wright predicted at College Park Md., that he could attain a speed of sixty to seventy miles an hour in an aeroplane racer. He rushed through the air in the government's aeroplane at approximately forty-six miles an hour, making a new record of 58 1/2 seconds for five hundred meters and return, including the turn.

Two boys named Harvey belonging to Cobalt Ont., were attending school at Rigand Que. The elder boy started on return home to Cobalt, the younger fifteen years old, attempted to follow him, but on account of lack of funds did not get any further than Almonte, Ont. In consequence of his shortage of cash he was put off the train in the middle of the night far from home and friends. Rather cruel.

The Dominion police and a quartette of safe breakers met the other day twenty miles north of Ottawa. Shots were exchanged and one of the gang was captured. The other three men took to the woods and are now being hunted. The region is a wild one and the men will have to come out or starve. On Sunday night the gang cracked the Post office and safe at Uxuecok and got away with some cash and stamps.

Intelligence from Ottawa announces that the fourth Regiment of Artillery of this Province again leads the Dominion in Artillery competition. To No. 1 Company, 4th Regiment 'A' was given first place over all the Dominion in the general efficiency competition winning the Governor General's hand-some cup and a cash prize of \$50.
