This sarsaparilla is a combination of vegetable alteratives — Stillingia, Mandrake, Yellow Dock — with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known for diseases it is intended to cure. Its ingredients are so skilfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease. The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it.prove of its usefulness. Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. And now their women smile
To think their men were sensible
And bought for them the Royal.
The butchers too, who live in town
Whose women used to scold,
Have bought from them the Royal
That's worth its weight in gold.
Their women now are singing
And on their face a smile
They say that sewing is but play
Since they have got the Royal.
The bakers too have purchased one
But not to mix their dough,
They say it is the best machine
That ever was to sew.
Wr. Harney has been in town
He knows that this is true,
So if you want to purchase
We would like to deel with you.
