To The Trade

Business Firms who are considering issuing a Trade Calendar for 1916 would do well to get their orders in as soon as possible in order to ensure having same for delivery in the New Year.

In dull times any experienced advertising man will strongly recommend the keeping up of the advertising fires, and there is no more effective way of retaining old customers and obtaining new ones than by the presentation of a Fine Art Advertising Calendar at the beginning of each year.

The Thos. D. Murphy Co.

of Red Oak, Iowa, whom I represent in Newfoundland, issues a line of Advertising Calendars which for beauty of design or advertising propositions cannot be surpassed. Prices range from

\$2.50 per hundred up.

The Company also issues a fine lot of Advertising Blotters. May I call on you with samples?
