## General Information.

Editor Evening Telegram.  
Dear Sir,—For the information of  
the public, and of the members of the  
Citizens' Committee in particular, I  
beg to make the following statement  
in reference to the proposed amend-  
ment to the Municipal Act:

I was present at the House of As-  
sembly on Tuesday afternoon and  
was asked by the sitting members  
for St. John's, Hon. W. J. Higgins and  
John Bennett, Esq., to step into the  
Speaker's Room and discuss the mat-  
ter of the proposed Act.

I was informed that I was being  
addressed in my official capacity as  
Secretary of the Citizens' Committee.  
I was shown a letter from Mayor  
Goelling to Mr. Bennett, asking that  
certain sections of the "Charter" be  
enacted this session. Messrs. Bennett  
and Higgins informed me that they  
were prepared to accede to the May-  
or's request to pass sections 76 to 86,  
both inclusive, as it seemed to them  
that the objections raised to these  
sections by the Citizens' Committee  
were rather to the verbiage than to the  
principle. That is, the members  
were prepared to introduce legislation  
of a non-contentious nature, but would  
not bring in at this session any mat-  
ters to which the Citizens' Commit-  
tee had recorded objections on the  
principle involved.

The members also informed me that  
the Government was prepared to guar-  
antee a loan by the Council for the  
purpose of building houses or of as-  
sisting building societies in erecting  
houses for workingmen.

I brought these matters to the atten-  
tion of the Chairman of the Citizens'  
Committee, who arranged for a meet-  
ing of the executive of that commit-  
tee. That meeting took place at 5 p.  
m. to-day (Wednesday). There were  
present Mr. A. Soper (Chairman),  
Mr. W. A. O'D. Kelly (Vice Chair-  
man), Mr. J. M. Devine (Asst. Sec.),  
Mr. Jonas Barter and myself.

It was moved, seconded and carried  
that "we agree to the passing of sec-  
tions 76 to 86, both inclusive, pro-  
vided that the recommendations of the  
Citizens' Committee are incorporated  
in them." To Mr. Kelly alone  
dissenting.

It was decided (Mr. Kelly alone  
objecting) that it was not necessary  
to call a meeting of the whole Citiz-  
ens' Committee, unless the members  
of that body especially desired that  
such should take place. I have ar-  
ranged to have copies of the Bill for-  
warded to every member of the com-  
mittee.

Yours truly,  
WARWICK SMITH,  
Sec. Citizens' Committee.  
St. John's, May 7, 1919.
