Methodist National Campaign.

The enthusiasm manifested on Monday and Tuesday evenings, was as evident at the gathering in the College Hall last night.

Every Divisional Commander and twenty-four Team Captains, with their teams almost 100 per cent. strong, were in attendance. A conference held earlier in the day with Revs. Arnup and Bryce, brought into the city many of the Ministers from Conception Bay and Trinity Bay Circuits. The Conference was presided over by the President of the Conference, and will result in a clearer understanding of the magnitude and importance of the M.N.C. which will reach the people on the Circuits represented, and make for ultimate success.

These Ministers were also present in the College Hall and were much interested by the Reports submitted and the methods of the City Campaigners. The programme of the evening consisted of a light repast, then reports of the canvass for the day and addresses by Mr. W. Drover and Mr. W. H. Hollett, of Burin.

have respect and for which our sons laid down their lives, daily flying at Government House; and while it flutters in the breeze, a feeling of assurance that fair play to all, irrespective of class or creed, will be dealt out. Take that feeling out of the community, aye, even cause the least little bit of doubt as to the sincerity of this assurance, and dismal is the outlook for us in the future. Time is passing. Even now we hear mutterings among the people of one law for the rich and another for the poor. Stop this sentiment in its infancy, or we may awake to find a condition of doubt existing in the minds of the entire country that can only lead to a grave situation.

All we want is square dealing. We do not desire that any man be convicted without a trial. But we do not want a serious charge of crime winked out of sight. And the sooner the people will be satisfied, and feel Justice is alive in Newfoundland to-day, and not as some people openly aver—a thing of the past, as far as the rich and those in high places are concerned.

Yours truly,

The Question of the Hour!

WHAT IS HIS EXCELLENCY THE GOVERNOR GOING TO DO?

Editor Evening Telegram.

Dear Sir—All about the town, people are asking what is His Excellency the Governor going to do in the matter of that serious charge made under oath against Hon. R. A. Squires and Hon. M. P. Gibbs. Surely it is high time that action were taken. If we are to continue our belief that under the British flag justice must be meted out to rich and poor alike, we must feel assured that the representative of that flag and all it stands for is not a man to close his eyes to his duty. We see the Union Jack, that grand old flag for which we all

have respect and for which our sons laid down their lives, daily flying at Government House; and while it flutters in the breeze, a feeling of assurance that fair play to all, irrespective of class or creed, will be dealt out. K. of C. Ladies' Association.

ORGANIZED ON SUNDAY LAST.

A meeting of the lady friends of the Knights of Columbus was held in Columbus Hall on Sunday afternoon last. About 250 ladies attended and intense interest and enthusiasm was manifested in the formation of a Ladies' Association to further the social activities and the educational and philanthropic work of the Council. The Grand Knight, Mr. C. J. Cahill, presided, assisted by the members of the Executive and House Committees, and he explained to the meeting the nature of the proposed organization, setting forth the aims which it is hoped may be accomplished with the active aid and co-operation of such a valuable auxiliary. The Council has undertaken the work of erecting a Memorial School to commemorate the valor and self-sacrifice of members of the Order who gave their lives in the Great War, and this undertaking, with other activities of a social and philanthropic nature in which the Council is engaged, will form an object worthy of the best efforts of the Council and its lady friends. The meeting decided to organize an association to be known as the Columbus Ladies' Association. The following officers were then elected:

President—Mrs. C. J. Cahill.
Vice-Pres.—Mrs. W. H. Tobin.
Treasurer—Mrs. J. V. O'Dea.
Asst. Treas.—Mrs. J. A. Mackenzie.
Secretary—Mrs. C. J. Howlett.
Asst. Secy.—Miss M. Mansfield.

A committee of the following ladies was also appointed to assist the Executive:

Mrs. J. Higgins, J. Kelly, A. Hiscok, T. H. Carter, W. P. Shortall; Misses, Alice Byrne, May Cook, Rose Donnelly, May Kelly, Ida Howlett.

With such an energetic Executive and Committee, backed by the capable and competent members of the Association, the success of the new organization is a foregone conclusion, and practical results may confidently be looked for in the near future.

HOW YOU CAN TELL GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all.

There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations. Look for the "Bayer Cross"! Then it is real Aspirin, for which there is no substitute.

Aspirin is not German but is made in America, and is owned by an American Company, all rights being purchased from the U. S. Government.

Genuine "Bayer Tablets of Aspirin" have been proved safe by millions for Pain, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis.

Handy tin boxes of 12 tablets—also larger "Bayer" packages, can be had at any drug store.

Aspirin is the trade mark (Newfoundland Registration No. 711) of Bayer Manufacture of Monoaceticacid-ester of Salicylicacid.

Friendly Society Had a Successful Sale.

The annual sale of work by the Girls Friendly Society held yesterday afternoon in the Presbyterian Hall proved a splendid success. Lady Harris attended and was met on arrival at the Hall by Lady Horwood and Mrs. H. Outerbridge, President and Secretary, respectively, of the Society, and introduced by His Lordship Bishop White, who spoke of the good cause for which the sale was being held, in aid of the Society's rooms and C. E. Orphanage.

In a brief speech in which she eulogized the work of the Friendly Societies, Lady Harris formally declared the Sale open. The wandy, jumble, tea, home cookery and children's tables, presided over by the officers and members of the G.F.S., were splendidly stocked and business was brisk all through the afternoon. The proceeds were even larger than last year. Among the visitors were Rev. Canon Jeeves, Rev. Canon Field and Rev. (Capt.) Clayton.

The annual Festival of the G.F.S. will take place on the 22nd inst., beginning with service at the Cathedral at 7 a.m., at which His Lordship Bishop White will deliver an address. In the evening a social hour will be spent at the Synod Building, and the prizes be presented by the Bishop.

Ladies' Costumes reduced to about quarter the original cost. Our prices are: \$6.95, \$8.95 and \$12.95. We wish to make room for new goods to arrive, hence the reason for above reductions.
