BUICK STANDS HARD SERVICE.
"My fourth Buick is undoubtedly the best car I have ever driven," writes Mr. Theodore Carlel, sole distributor of Blue Bonnet Brand Vegetables, grown in the Magic Valley, San Benito, Texas. "It is fast, has a quick get-away, no vibration; I would not drive a car without four-wheel brakes."

"I drove my 1923 Buick 24,000 miles in ten months and I am still using it in my business. I make a trans-continental trip each year, which takes me to Boston, then across to Portland, Oregon, and down through California, then on back to the Lower Rio Grande Valley. I do not believe that there is any car that will stand the hard, fast, continuous driving that a Buick will."

There isn't Anything in Town That Can Touch This!
said a doctor who was inspecting our dispensary, and he was right. There isn't another dispensary in town that can equal ours. It contains everything that experience and money could buy, to assist us in doing accurate and scientific compounding.
