FANCY MOLASSES

Has advanced sharply in the local market due to short imports and former prices now ruling at BARBADOS, and we would not be surprised to see quotations go higher on this commodity when the usual active Fall's buying begins. We have a limited quantity of

Strictly Fancy Barbados Molasses

IN STORE, IN PUNCHEONS, TIERCES and BARRELS

and are prepared to continue selling it while it lasts—at our usual "Live and Let Live" margin of profit.
