

THE YACHT FOAM.—The following despatch came from Niagara yesterday at 4 o'clock:—A crew of five men have just returned to Niagara, having found the missing yacht Foam. She lies between two and three miles out in the lake, with only about three feet of her masts visible. No bodies have as yet been discovered.

FOWLE'S PILE AND HUMOR CURE.—This justly celebrated remedy has more evidence of real merit than any other preparation for Piles in existence; the best evidence in its favour is that "never fails to cure," which assertion thousands who have been cured will vouch for and confirm. It also cures scrofula, salt rheum and all diseases of the skin. (See special notice.)

THANKS.—Mr. John Anderson has sent us the Family Herald for July, and the Young Ladies' Journal for August. They are both excellent numbers.

MANUFACTURE OF COCOA.—"We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London."—See article in *Cassell's Household Guide*. July 6-9m

Special Notices.

IT IS NOT WHAT YOU EAT BUT what you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organs and tissues follows, and if there be hereditary predisposition to scrofula or consumption it will surely be developed, and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Winsor's Compound Elixir of Phosphates and Calisaya is Nature's own remedy for derangement of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force.
