

Semi-Annual Millinery Opening!

ON SATURDAY OF THIS WEEK

We make our grand combined display of **HIGH-CLASS MILLINERY, AND GENERAL DRY GOODS** for autumn and winter wear. Fashion's demands for the season are now positively settled and assured, and we give you this first possible opportunity of viewing the really correct styles for fashionable attire.

Our Miss Wood has returned from her semi-annual trip to the markets of Toronto and New York, bringing with her a special collection of Pattern Hats and Bonnets of the newest and best designs. Her selections of **MILLINERY NOVELTIES AND FANCY GOODS**, are, we think better than ever before, and comprise very many chaste and beautiful creations, ranging from the comparatively inexpensive lines to the most elaborate we have ever shown. Our show rooms will be ready for your inspection on **SATURDAY, SEPT. 1st, 1898**, when we trust you will give us an opportunity to offer for your approval the best Millinery display we have ever attempted.

As usual with us, in connection with this opening, we shall make a special exhibit of

Home Enemies.

They Mislead and Deceive Inexperienced Women.

Home enemies in the form of package dyes and dyes composed of a large proportion of common soap and very little coloring matter, are creating great loss and consternation in many homes. These deceptive dyes that only benefit the manufacturer and retailer with fat profits, mislead and deceive inexperienced women. The women who regularly use the Diamond Dyes are never deceived. Diamond Dye users find in the Diamond Dyes all that the manufacturers promise—purity, fastness, fulness of color and great brilliancy. To those who have been deceived by cheap, trashy dyes, we say with confidence, "Give the Diamond Dyes a trial, and you will bless the day that such colors were given to women." Diamond Dyes color anything any color.

We want to see YOU.

If You Want ...A Suit

We want to see YOU.

We placed in stock this week our first shipment of fine Beaver Overcoats. We have them in different lengths, weights, colors and styles. They were made specially to our order, handsomely lined and trimmed. They represent the best ideas of

workmanship and material. We never had such a handsome lot; we never offered so much value for so little money. For a combination of price, style, fit and wearing qualities, they are unequalled in all Canada. Come and slip into one of them and prove the truth of this to your own satisfaction.

What About a Fall Suit?

That light and thin Suit was all right a month ago, but now it makes you conspicuous, and lets in shivers. To the man who is putting it off, we've just this much to say, if you can't afford to wear a good Suit now at our price, you never will be able to afford one.

UNDERCLOTHING

A man's Underclothing does a great deal toward making him comfortable or uncomfortable. You can ill afford to take the chances of contracting a bad cold when you can get a Suit of the comfortable kind here for about half the price of one doctor's visit.
