Oct., 4-A dispatch

awville, Pontiac County Quebec,
ys: This village was thrown into a
sole of excitetorn on Friday, last, hen the rumor went abroad that is illiness was presumed to be caused r Paris green and that his young wife, as supposed to be the one who had tren him the deadly drug. Mrs. Spart. bought up at the home of her uncle ir. John Steele, of Shawville. She is nly about twenty years of age, and k, but was not entirely confined ed. His wife returned home on Tues-or Wednesday an attended to him. when Mr. Steele came home that evening

ired, leaving with him, Mrs. Sparlin During that time he was pretty sick ng Steele was up about: 7 o'clock and Gound Sparling and his wife seemingly usleep. After breakfast Steele went in o see Sparling again and found he was worse. He then determined to get a

to reus

Traces of Paris green Found. On his way past the end of the hous

between 8 and 9 a. m. on Friday Mrs. matter comitted by Sparling had been thrown out through this window, during the night. They returned to the house little of the poison in it. Mrs. Steake and a neighbor woman had purchased this tegether during the summer for the destruction of potatoes bugs. Mr. Steele then went for Dr. H. H. Khox and while returning with him told him he teared there was foul play, and men-tioned the green substance he had found on the ground. The doctor ex-amined this before going up to see Spar-

last thing I would think of doing beneath the window and Sparling there was any one the house who he thought would do such a thing. He said no at first. Then he asked him if he thought his wife would do such a thing. After thinking he repifed: I would not put it past her fou Paris green and he said : "I know now why she was so quick about scrubbing the pail and window sill when she heard

you were coming.

Knox that something appeared to be wrong, decided to investigate. He called at Sparling house and asked Mrs Sparling if he might see her husband. Eiffot, when he approached Sparling's bedside, was amazed to find how iil the man looked. "How do you feel?" he ask-"Oh. I gues I am done for," replied the sick man. "Alice gave me a dostast night." "Oh no, Eddie," excited! inst night. "On no, same, extending the runcle) that mixed it, and you know I took some of it also." To this Sparing replied: "Yes you put the glass to your mouth and pretended that you took some but you never. Mrs. Spar-ling made no reply to the last statet moneced eals an Entht. speaking of his visit, that the pails in which the man had vomitted had been washed out but there was a stain of par-is green on the side. I took a look at the

out side of the house and also found Paris green stains on the window sills of both the upper and hower windows." MR. HORNER'S STATEMENT. The statement made by Mr. George Horner, who is conducting the series o Hornerite meetings in the village is most damaging to Mrs. Sparling, and it was upon his evidence that the woman was sent up to stand her, trial. Mr. Horner, learning that Mr. Sparling's man was sent up to stand her trial.

Mr. Horner, learning that Mr. Sparling's condition was serious, called to see him on Friday afternoom "Sparling stated to me," says Mr. Horner, "that his coughs and olds, and highly recommend to the durant, when the part of the durant, when the staff correspondent of the Journal, whose this morning, at coughs and olds, and highly recommend the latter of the past six months, and hough I am 65 years old I, have been able to do light werk for the past six months, and being the six months, and being able to do light werk for the past six months, and being the six months, and being the six months, and though I am 65 years old I, have been able to do light werk for the past six months, and being the six months, and though I am 65 years old I, have been able to do light werk for the past six months, and being the six months, and being the six months, and though I am 65 years old I, have been able to do light werk for the past six months, and being the six months, and the six months, and though I am 65 years old I, have been able to do light werk for the past six months, and being the six months, and being the six months, and the six months are six months.

J. H. BROWN, the six months are six months, and the six months, and the six months are six months. The force of eight men under Green all the credit for my restoration.

and that he noticed a strange color n the glass when she gave it to him, it also burned his throat, and itseemed as if his mouth were full of sand. 'Have you any reason to believe that your wife would do such a thing?' asked Mr. Horner, "Yes, she told me once," said Sparling, "that she would put a knife through my heart." Spar-Mr. Horner, left. Sparling died in ter-rible agony shortly after 12 o'clock on Friday night. Mr. Robert Black, of Thorne. The deteased's father came

Molsons Bank at Winnepeg is Minus cials Will Not Talk-A Mystery.

(Winnipeg, Oct. 6.- The robbery of \$60,000 from the Molson Bank here took place between September 28th and yesterday, when it was discovered. The

has been robbed. The details of the affair are kept from the public.

Mr. T. B. Phepeo, manager of the

bank, left yeaterday morning for Russel on a shooting trip and Mr. E. McBeth accountant and acting manager of the bank during Mr. Phepeo's absence, was extremely guarded. For any injuries of such a nature, he said, I must refer you to the bank's solicitors, under whosem direction I act during the absence of the manager. The robbery was not discover ed until Tuesday at noon, so that it can safely be inferred that the safe was not broken into, or any evidence lieft in the the steamer Flora, lined up with their building by the robbers.

In fact, it is asperted that the vault was opened by the regular combination. This adds much to the mystery, as only one man in the bank' knows the whole wault locking a portion. It is said that the money stolen was in bank notes, and the robbery is believed to have taken place since Sentember the 28th. place since September the 28th.

It is not impossible that arrests will be absence of any official statement is parti-ally accounted for by apparent lack of ally discharged it. The second created and one Indian policeman are dead.
