## Gold Medals Presented.

Advantage of the occasion was taken o present the gold medals donated by Mr. S. Frank Glass for competition in connection with the high school entrance examinations, and the chairman called on Mr. Glass to perform this bleasant task. Mr. Glass congratulated the trustees of the school, as well as the scholars on being able to meet them for the first time in their new school. The building was a credit to the section, and he judged by their satisfied countenances that they appreciated the improved conditions under were now enabled to prosecute their studies. When he had advised Inspector Thompson last year that he was willing to donate two gold medals, one to be given to the scholar of Pottersburg school making the highest number of marks in connection with the entrance examinations, and the other to the scholar of any school in London Township making the highest number of marks, he was sure Mary's Hall on Lyle street Monday that Pottersburg school must capture one of the two, but the examinations showed that their school not only scored the second highest number of marks in the township. Miss Margaret MacGregor, therefore, having scored the highest marks, had won both medals, but as it was understood that one pupil could not receive both, the other one goes to Miss Rhoda Shewring.

## Incentive and Encouragement.

If, as Mr. Thompson had said, the giving of these medals had proven an incentive and encouragement to their pride he felt in knowing that the scholars in their own school had achieved so distinguished a success.
