A mixture Gross earnings of all Canadian rallof sand, gravel and concrete was found in one of the valve chambers show a gain of 12.8 per cent, as compared with the earnings of the same in such a position that the pump period a year ago. Commercial failures would have been badly injured on Guards were posted against 39 last week and 33 the same about the pumphouse, and no one was allowed to enter without a pass. In-WEST LORNE SHOW vestigation by the police failed to locate the supposed conspirators, and they now believe that no attempt was made. In the opinion of the chief the mixture was accidentally spilled into the valve chamber.

### SEN'S TERMS GENEROUS IF MANCHUS SUBMITS

Concession Will Include Summer Palace and Forbidden City in Peking.

[By Canadian Press.]

Shanghai, Jan. 6.—The Republican Government is assuming a very strong position, and now considers that the future of China is entirely in its hands. The leaders believe that the is almost unanimously in favor of the Republican movement, and that the regular army will come over to their side almost to a man. The cabinet formed by Dr. Sun Yat Sen has today declared the terms it will offer to the Manchus on their would be the case. They include the concession of the summer palace and Louks, West Lorne.

The Foreign Powers to Maintain Free Communication From

Chinese Capital. [Canadian Press.]

London, Jan. 6.—The foreign military officers were authorized today by their respective ministers to maintain free communication between Peking and the sea under the protocol of 1901, says the correspondent of the Times at Peking. As a temporary precautionary measure, the railway will be guarded by troops of the respective nationalities, each patrolling its own of the most daring ever perpetrated section of the line. Pending the arrival of United States troops, the British will take charge of the American section of the railroad.
