### MINISTER OF MARINE TALKS OF THE NAVY

Says No Partnership With the Mother Country Is Wanted Without Voice in Councils.

London, July 25.—Replying to a deputation of the Maritime League yesterday, Hon. J. O. Hazen declared the question of protection to trade routes in time of war by the conversion of merchant ships into cruisers hadn't been overlooked by the Canadian Government and, further, he was sure he revealed no confiden by saying this important question had been the subject of negotiations by

the admiralty.
"Speaking of our mission here, I think there is a very strong feeling among the people and the electorate of Canada in favor of Canada doing something that may be regarded as fairly substantial towards the defence of the Empire. We realize we owe a great deal to the protection of the British power ways. tish navy. We realize our existence as a Dominion in very large measure de-pends on it at the present time. It would be premature and improper for

me to say what will be the result of our visit here," he said.
