RALLY DAY SERVICES

ARE WELL ATTENDED

Rally day at Dundas Center Methodis Church Sunday, throughout all the services, proved a record. The congrega-

ons were large, and it was quite evi

dent the "Go to Church" slogan is having its effect in London. The pastor, Rev. John Garbutt, preached two im-

pressive sermons. The morning address was more particularly to younger mem-bers on "The Compass," pointing out

n life's voyage the compass, which re

sembled the mariner's compass, was our conscience, which was the voice of God speaking to us. The true compass al-

ways points to the north star, and the same will be true with us if our life points to the Star of Bethlehem. In the

evening Mr. Garbutt spoke on the sig-

nificance of heaven.

Harold Jarvis, tenor, of Detroit, sang at both services, his numbers being:

When I Have Crossed the Bar,"

"What Will You Do With Jesus?"
"Sometime We'll Understand," "The
Eternal God," and "Peace, Peace," all

f which were rendered in a high order f musical ability.
In the Sunday school an attendance

of 521 scholars was recorded. Mr. Jarvis contributed musical numbers

Jarvis contributed musical numbers and lantern views of the church pionic held at Springbank in June were screened, while the pastor, Mr. Garbutt, gave an address, C. E. German, super-intendent, presided. The school orches-

tra, under Mr. Petrie, rendered special

### THROWN FROM AUTO BY FRIENDS AND DESERTED

A "joy" party bound for Springbank Sunday evening at 7 o'clock decided that one member would look better in

able bearing on all subsequent negotiaits employees.

BEET SHIPMENTS LIGHT Contrary to expectations, beet ship-nents in the local divisions of the G. T ments in the local divisions of the series of the R. and C. P. R. have been exceedingly light up to the present time. Officials of both roads fully expected, judging from early indications of an excellent crop early indications of an excellent crop, that heavy shipments would be moved from various points during the last week of September and the first part of October Owing to the excellent weather conditions, however, the farmers of the district are seemingly reluctant to do work which might be done at some other time, so the beets are still in the fields. The rallway officials regret that the ipments did not start at the appointed time. The roads, it was pointed out, are in excellent shape to undertake the work at the present time, as coal shipments are very light. It is expected that

fewer cans will be available in a few weeks and that some delay might be ex-perienced in moving the roots. PASSES THROUGH CITY

### INVADING ORIENTALS URGES SEWER WORK **OBJECTIVE THURSDAY**

ians of Imported Labor. "The Stranger Within Our Gates"

Owing to the fact that more than 200 prospective members of the local Chamber of Commerce have not yet Canadian Bible Society, at the weekly luncheon of the Rotary Club at the Temseh House Monday. The speaker sounded a note of warning relative to the continued silent invasion of Orientals. He declared that Canada was feeling the force of

Chinese agriculturist just as it had felt the force of the Japanese mechanic. He touched also upon the great influx of Hindus into British Columbia, and referrred to one lumber settlement in par ticular that he had visited, where the houses of the former Canadian workers were vacant and boarded up, and all the jobs in the sawmill were filled with He explained that during October the

society planned to conduct a campaign in London, and made a fervent appeal for a dozen or more Rotarians to assist in making the drive a success. "London," he asserted, "is the last city in the Dombinion to go over for adian Bible Society." In conclusion he urged his audience to get behind their During his address the secretary gave

# TO AID UNEMPLOYED

shing the schedule of work ahead of hem, and the board of works is constantly adding to this schedule on the eccipt of belated requests for improveients. The last meeting of the commitee saw several weeks' work placed on ittention is bound to be small. And what Help Unemployed.

There is considerable talk about the city in regard to the undertaking of ertain works during the winter to care for the local unemployed. Such works must of necessity be limited, said City Engineer Brazier. Storm sewer work, he declares, the best class of work that can be undertaken. It is easier to do and though the cost of laying such work in the winter is considerably above the ummer cost, this class of work is a harge on the whole city and paid for by debentures, so that it fair to the citizens that this class of work be undertaken.

The completion of this year's paving

program will give the city between 32 and 40 miles of pavement. It is to be and High street are also to have a simnoted also that the pavements laid this. year have been wider than those of last gineer does not think this can be year. Perhaps the most important pavement laid was that of Piccadilly street, from Richmond to Adelaide, it being the first cross street north of Queen's avenue to be paved. The pav-

portant work Much Under Way. Paving work now on tap is as follows: English street, Dundas street to Queen's enue. Grading is now being done or Concrete is being laid on Emery street
