HOW TO GET RID OF SKIN PORE IMPURITIES

Science has exploded the old idea of aking internal remedies for getting id of blackheads, pimples and other ikin impurities.

It is now done externally by the use of a simple, harmless powder that disolves away every particle of dust, dirt, ixcessive oil and other disease forming impurities in the pores of the skin.

Just ret from your druggist a small tackage of peroxine powder and at hight, just before retiring, take your wash cloth, wet it with plenty of hot kater, sprinkle a little of the peroxine powder on it and rub it over the face, teck, arms and bust, working up a little lather.
