

Western Quits Social Whirl and Plunges Into the 'Finals'

University Day of Judgment Finds 700 Students Writing Exams.

"PLUGGING" NOW

Results Will Be Announced May 28—Score of Meds To Graduate.

Gone is all the talk of the dance and the class parties in the university halls. The examinations, the dreaded final examinations, day of judgment when each man must give an account of himself, is at hand.

Last Saturday saw the first of the finals. Since that time, there hasn't been much fun at Western. The students are studying for the papers to come and wondering if they made a pass on those they have written.

The two weeks of plugging torture will come to an end on Saturday, May 23. The results have to be in to be tabulated for presentation to the faculty on the afternoon of May 27. On the 28th the results will be issued.

Following the policy of the last two years, the details of the individual classes will not be published. The general proficiency standing in each year will be made public, together with the names of graduates, the winners of medals, scholarships and prizes.

In the graduating classes there are 11 honor courses as well as the general pass course, so that there will be medal winners in these cases. Added to these will be the honor philosophy group whose members will receive medals from their own school.

The medical school will send forth a score of graduates, it is expected. There will be no candidates for the diploma of public health. Some degrees of master of arts, master of science and certificates of public health to nurses will be conferred. Dr. K. P. R. Neville, registrar, said today that about 700 students are trying final examinations. All the students will finish about the same time. The papers are being marked at the present time.

THROWS ACID ON WIFE IN FIT OF DESPONDENCY

23-Year-Old Toronto Man Is Arrested—Girl's Face Is Badly Disfigured.

Canadian Press Despatch. Toronto, May 15.—Admitting to the police that jealousy had prompted him to commit the deed, Arthur Wilson, aged 23 years, was placed under arrest last night on a charge of doing bodily harm to his 18-year-old wife, Dorothy, by throwing sulphuric acid in her face. The right side of the woman's face is badly disfigured and it is not yet known if her right eye can be saved. She is in the general hospital.

The couple were married last September, but lived only six weeks together. He threw the acid in her face after speaking a few minutes with her last evening, when she was returning from work. Wilson also admitted to the police that he had purchased rubber gloves to protect his hands when he threw the liquid. The acid, however, splashed about his neck and caused him severe burns.

\$25,000 Mark Will Be Reached in Few Days by Campaigners.

At the rate donations are being made to the annual self-denial fund of the Salvation Army, which is being carried out in Western Ontario, the objective of \$20,000 will be exceeded by \$5,000, according to Commandant Hurd, financial secretary of the London division.

It is expected that the \$25,000 mark will be reached in a few days. This means that approximately \$1,000 will be collected from each of the 25 corps in this territory.

For some week Commandant Hurd has been visiting the cities and towns of the district, speaking before the councils, clubs and bodies interested in charities. He left for Stratford today, where he will speak at the Lions club dinner tonight. This will be followed by a mass meeting at St. Mary's.

Commandant Hurd will speak at Hanover tomorrow night. On Sunday he will fill the Methodist pulpit at Chesley in the morning. The same day he will conduct meetings at Walkerton and Hanover.

On Monday night a mass meeting will be held in the opera house at Mitchell. Commandant Hurd will return to London on Tuesday.
