PETRATOR OF THE RAGLAR TRAGEN How he did the Deed and His

wA, October 20 .-- David Gool.

ferman who committed the murder recently reported from enfrew county. Between 9 and confes on Monday morning ng, I ordered the woman and leave the house. The h t thirty feet from my house red to me. The wor I ordered here at the time The husband then went a gun to hunt. About two er this I went to the barn to straw. While I was doing this erckenthal was taunting and o such an extent that I could no longer. I then went to the nd ordered the woman and out. She told me that she not go, and used very indecent lting language. She then went house with the children and I led up the door. I had turned and had got away as far as when she broke open the th an axe. I then thought the to get them out was to burn nty, so I walked over to e and got a coal of fire and t into their shanty. I then went he corner of the house and the went in the opposite direction met at the back of the house. "You devil. Is this the way end to kill me? and then she up a stick of wood to strike me. picked up a stick of wood ick her on the forehead. She ed her back and I struck her blows on the back of the she fell to the ground. I then my house and said "good-bye children. You won't see me re. I am going to put an end f." I went to the bush to starve On Monday and Tuesday I lost in the bush. After finding out on I started for the Mississipwith the intention to drown After I got to the river and the brink I prayed to God to By this time two grey birds me and I fook to drown myself, so I started d struck the Palmer rapids and en took me across the river and ied me to Rockingham when self up. When I struck the I did not intend to kill her not dead when I left her. I know she was dead until I Rockingham. The reason I ecause I was afraid of her , as he had three times threatoot me. If 1 remained there, husband found his house burnthat I had struck his wife, he. the gun in his possess. hesitation sitation, have shot me. If it stined that I should hang for ne, I am resigned to my fate." is a musclar man, dark com-ed, forty-four years of age, five feet eight inches, and weighs) pounds.
