It bodes peace and friendship to the state whose representative is invited to Friedrichsruhe. Here Bismarck puts out the torch of hatred; for the host's day he considers to be to cultivate under his own soof amity and good understanding

-has been a laborious and costly work, but the end justifies the effort. Obstruction in any important channel means disaster. Obstructions in the organs of the human body bring inevitable dismedicine equals Dr. Pierce's "Golden Medical Discovery" for acting upon the liver and purifying the blood.

Gen. Grant's Disease. From the Chicago News.

Divested of professional pedantry the disease of which Gen. Grant is dying is cancer. The name applied to it by his physicians simply indicates the kind or class of cancer. While every part of the human body is liable to be attacked by this malignant disease, its seat is most consumed in the membrane which lines the internal surfaces of the body—epithelium—and the distinguishing name epithelioma. The epithelial cancer differs only in degree from the cancer of the breast, stomach or other gland or organ. Eventually it pervades the neighboring tissues and suruction of the distinguishing the surfaces in the distinguishing name epithelioma. The epithelial cancer differs only in degree from the cancer of the breast, stomach or other gland or organ. Eventually it pervades the neighboring tissues and suruction of the distinguishing the provided and surfaces in the distinguishing name epithelioma. The epithelial cancer differs only in degree from the cancer of the breast, stomach or other gland or organ. Eventually it pervades the neighboring tissues and suruction of the district telegraph messenger boy and the district telegraph messenger boy and the last ten years, and the last ten years in the last ten years in the last ten years, and the last ten years in the last ten years, and the current of the last ten years, and the last ten years in the form of the disease has received the distinguishing name epithelioma. The equal.

frightful. In its early stage, owing to the character of the membrane in which it is cases are direct than the stand of order to any avail.

Prompt Measures. -Prompt means should be used to break np sudden colds, and cure coughs in their sarly stages. Hagyard's Pectoral Balsam

loes this most speedily and effectually. A Princess Mardered.

VIENNA, April 28-Princess Montlea died to day under suspicious circumstances. Her servants say she quarrelled with a man servant and discharged a revolver at The man fell, pretending he was dead, and the princess, terrified at what she had done, shot herself. A bullet was found in the lady's brain. Abrasions and suts on her neck led to the suspicion that she had been murdered. The servants were arrested.

-The face wears a yellowith hue, pim ples appear upon it, sick headaches, ver-tigo, morning nausea, and pains in back, side and shoulder blade, are experienced when bile enters the system and poi-ous the blood. Expel it from the circulation, and direct it i to its natural channel, the bowels, with Northrop and Lyman's Vege table Discovery and Great Blood Purifier, which has widely superseded mineral drugs having a dangerous reaction. Indigestion, constitution, impurity of the blood, and kidney complains are entirely overcome

A Morribie Oufrage. ROCKLAND, Md., April 2.-Howard 80 & 82 ALBERT ST. Cooper, a young negro, brutally assaulted and outraged the 16 year old daughter r Farmer Grady this afternoon in the woods near her house. Thinking he had killed her, he buried the body with leaves and assaped. The girl recovered but is in a critial condition. The entire neighborhood are in pursuit of Cooper, and will ly ch him if caught.

persons thus dose themselves even without the advice of a physician. The best substitute for such pernicious drugs, and the use of which is never followed by disastrous effects upon the general health, is Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which permanently tones the stomach, regulates the bowels, purifies the blood, and gives a healthful glow to the cheek.

cracy may gloat in displaying gorgeous tapestry and rare bric-a-brac, but Bismarck, after all, is only a poor man. His state appointment is not worth even 3,000 pounds sterling, Schonhausen is valueless; Varsin does not yield much, and the estate at Friedrichsruhe although estimated at 150,000 pounds sterling brings at the most 5,000 pounds sterling. It is true that this is no reason why his walls should be whitewashed, why his furniture is of the simplest description, why his art treasures consist of comparatively worthless photographs and paintings of his daughter and his sons, of Moltke, of Cardinal Hohenlois, of Thiers, of Beaconsfield, of Friedrichsruhe itself.

Yet there are several objects of luxury and ease, and others of decidely historic importance. There is the rich carpet, extending through hall and rooms; the number of chimneys, where, the whole winter through, fires burn perpe ually, and an abundance of couches, sometimes two or three in one room. On the chimney.

diately relieves the throat and lungs from

Wm. H. A Brown, a wealthy board of trade man at Chicago, has been arrested on a charge of bigamy. —Ayer's Saraparilla cures all blood dis-cases, eradicates every impurity, and re-news the vital forces.

"He who has pie has friends," is a Rus-sian proverb; but it isn't every pieman who belongs to the upper crust.

Obstruction in any important channel means disaster. Obstructions in the organs of the human body bring inevitable disease. They must be cleared away, or physical wreck will follow. Keep the liver in order, and the pure blood courses through the body, conveying health, strength and life; let it become disordered and the channels are clogged with impurities, which result in disease and death. No other medicine squals Dr. Pierce's "Golden"

Who belongs to the upper crust.
