## CHARGE AGAINST CHIEF OF POLICE

Louis A. Clark, North Sydney, Accused of Theft of Business Books—A Tangled Affair.

North Sydney.—Chief of Police Louis A. Clark, of North Sydney, was placed under arrest charged with the theft of the business books of Wm. Lane, a second hand dealer. The warrant was issued by Stipendiary S. G. Thomas on an information laid by Lane and was executed by a County Constable. The occurrence is an off-shoot of the Mrs. Alex. Stamper case which opened before Judge Finlayson under the speedy trials act at Sydney on Saturday. Mrs. Stamper is charged with receiving stolen goods.

On Saturday afternoon Chief of Police Clark went to the premises of Lane and seized four books relating to the daily sales of the business. It is understood the Crown denied the books as evidence in the Stamper case.

Lane contends the chief had no legal authority for the seizure and in addition to the warrant for arrest obtained an order for search to recover the books.

Chief Clark, it is stated, removed the books to the office of the Crown Prosecutor before the arrest was made. He was admitted to bail on his own recognizance and will come up for hearing on Thursday.

The Stamper trial is adjourned until April 3rd and it is probable that the case against Clark will not be heard until after that date.

## WEYMOUTH VESSEL MAKES RECORD TRIP

Yarmouth.—The Weymouth schooner, Leo L. Blane, Captain Oliver Coombs, completed a rapid trip when the vessel docked at L. E. Baker and Co's. The vessel left New York Thursday with 426 tons hard coal and in forty-four hours, Capt. Coombs had made the Lunenburg trip. The vessel left in the dead calm for several hours and was called into Yarmouth and docked in exactly fifty-two hours from New York. Upon arrival here the schooner completed a round voyage of five months, much of which time was spent in various ports awaiting cargo. In November the schooner left Yarmouth for Shelburne, loading lumber for New York. At the latter place the vessel took a general cargo to Belize, British Honduras, leaving New York on January ninth and arriving at Belize in five days. At that port the vessel loaded thirty-one thousand pounds and twenty-three thousand pounds copra and sailed for New York February 8th, arriving March 5th and encountering bad weather.

## RATS ATTACK COW IN BARN

Swarms of Rodents Scamper Out as Stableman Enters.

A swarm of rats attacked a valuable Guernsey cow owned by district superintendent of mines Alexander McDonald, recently.

The animal was bitten in many places, the flesh virtually torn away in large pieces. The infuriated animal endeavoring to break out of the barn, broke off both horns. Allen McKenzie who tends Mr. McDonald's stables, arrived on Sunday morning early and as he opened the barn door, at least one hundred large rats scattered in all directions. Some of the rodents were over a foot long. The rats evidently were attracted by a box of feed which had been placed in front of the cow.

The animal endeavoring to get rid of the rodents broke off both horns. Flesh was torn from both sides of the animal and the forelegs also showed several cuts and bites.—Glouce Bay Gazette.

## THE OLD DAYS

Oh, the old days, the dear days,  
How shine they now afar!  
Oh, who can tell these new days  
How dear the old days are?  
For there's never a song of the old days  
But will bid the tears to start;  
And there's never a lower of the old days  
But is treasured in our heart.  
Oh, the old days, the dear days!  
And can we hope to see  
Any, of all the new days,  
So fair in their degree?  
Fair, fair they were, those old days,  
We shall nevermore behold!  
Yet Heaven's lines clear through the new days,  
Though earth's grew green in the old.

## Head Steamships On Atlantic and Pacific Oceans

### Walter Maughan Fills New Post Made Necessary by Growth of the Canadian Pacific Steamship Business

Walter Maughan, newly appointed Steamship Passenger Manager of the Canadian Pacific Railway.

The appointment of Mr. Walter Maughan as Steamship Passenger Manager of the Canadian Pacific Railway has been officially announced at the Company's headquarters. The appointment includes the management of the Company's passenger business on both the Atlantic and Pacific Oceans. Mr. Maughan was born in Toronto in 1876, and joined the Canadian Pacific in 1902. In 1907 he was made City Passenger Agent at Toronto, and in 1912 District Passenger Agent. During the same year he was promoted to a Lieutenant-Colonel in recognition of his work in transporting troops from Canada and China to France.

Mr. Maughan's appointment results from recent remarkable growth of the Canadian Pacific Steamship fleets on both oceans, and those especially equipped for West Indies, Mediterranean and around the world cruises that are planned.

At present in regular service on the Atlantic Ocean between St. John, N.B. (winter season) and Montreal and Quebec (summer season) and Southampton, Liverpool, Belfast, Glasgow, Cherbourg, Antwerp, and Hamburg the Canadian Pacific have eighteen passenger steamships with an aggregate displacement of 300,000 tons. During the coming summer season the Company will have 100 passenger steamship sailings from Montreal and Quebec. These exclusive of the fleet of freight steamships.

In the Oriental trade four of the largest and fastest ships on the Pacific Ocean operate between Vancouver and Victoria and Japan and China.

In the year 1924 the Canadian Pacific will operate their own cruises to the West Indies, Mediterranean, Egypt, the Holy Land, and also around the world. Three of their finest oil burning ships have been allotted to these services.
