educative than travelling," was the familiar yet always interesting subject, debated by the Young People on Friday evening last. The affirmative was upheld by the Misses Margaret Armstrong, Viola Tupper and Lilian McKinnon, and the negative by Miss Phillips Wentzell and Messrs. Robert Bath and St. Claire Hickey. The judges, Miss Mary Jost and Mrs. R. J. Messenger, gave the decision in favor of the affirmative. Excellent talent was displayed by each of the debaters, and a bright future is predicted for them all. Mr. Gladstone Parker occupied the chair, and Mr. McKinnon, the pastor, acted as critic.

Messrs. A. Healy, and S. Stephens and Mrs. Drew were visitors in Midleton, December 1st.

Mr. and Mrs. Norman Milbury of Hampton, recently visited her mother, Mrs. P. S. Balser, and other friends. Mr. and Mrs. Burton Marshall, of Arlington, are stopping the winter at the home of their son, Mr. W. A. Marshall.

Glad to see the genial face of Rev. Dixon of Port Lorne on December 4th.

Ladies Aid Society, was a decided success. It was well carried out, and well patronized. A sum exceeding \$100 was realized. The ladies they are the boys.

The services of the United Church are well attended, and the interest taken in the topics and services generally is quite apparent. There is room for more and you are very welcome!

The Sunday School children and their parents will be pleased to learn that the usual Xmas tree and entertainment will be given this season, in the basement of the church. The date is Dec. 28th, Monday evening, at 7.30 o'clock. "White Gifts To The King" will be a leading feature.

A very beautiful solo, entitled, "Seek Ye The Lord," was sung by Miss Armstrong on Sunday evening last. For a girl of her years it was a magnificent effort. In power and richness of quality her voice is quite unusual; and as a contralto a brilliant career is assured. The United Church is fortunate in having a score of budding singers in the Junior Choir.

The choir of the Gordon Providence United Church will render a sacred Christmas Cantata entitled "The Promised Child," by Stultz, on Sunday evening, Dec. 27th, at 8.45 p.m. There will be a chorus of 35 voices under the direction of Mrs. A. D. McKinnon, also soloists, quartettes, etc. A silver collection will be taken.

Walter Chute of Clementsport killed a eight month's old pig that weighed 425 pounds. Who can beat this?

EARLY HISTORY OF WILMOT TOWNSHIP.

Interesting Historical Paper Read at Annual Meeting Men's Club.

Middleton—The Men's Club of the United Church held its regular monthly meeting with luncheon Wednesday evening. The special number on the programme was a paper on the "early history of the township of Wilmot" given by Dr. M. E. Armstrong of Bridgetown. This paper was exceptionally interesting as the speaker had spent many years in gathering together facts concerning the first settlers in this part of the province.

Among the pioneers in this township of Wilmot stand the names of such industrious men as Colonel Bayard, General Ruggles, Major Thos. Barclay and others who held prominent places in the affairs of the country as a whole. A vote of thanks was extended to the speaker. A short musical programme closed the interesting meeting.
